

NEW MEMBER ORIENTATION

The magnitude of school board membership calls for knowledge and orientation to many areas of information and understandings. Under the guidance of experienced board members and the superintendent of schools, orientation will be provided to new board members through the following:

- a. attending new board member workshops conducted by the Association of School Boards of South Dakota.
- b. discussing District information with the superintendent and other District personnel.
- c. reviewing materials that guide the operation of the District.
- d. attending school board and administrative conferences and conventions on a local, state or national basis.
- e. exchanging ideas through joint meetings with neighboring school boards.
