K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report - Superintendent Edwards indicated that the Lake Area Multi-District is considering curriculum expansion in the areas of art and career and technical education.

Academics – Kim Bellum, High School Principal, presented the Board of Education with the State Board of Regents Report which outlined the number of students required to take remedial courses in the areas of Math and English prior to advancing to the regular college curriculum courses. The Executive Summary provided state information along with Watertown School District comparisons.

Dr. Lesli Hanson, Assistant Superintendent, provided an overview of the Writing Report for grades 5 and 9. The report provided comparisons between the Watertown School District and the state averages in several areas evaluated in the writing prompt process.

Joan Bludorn, Nova Director, provided the Board with a brief overview of the organization of the Nova School. The presentation also included the annual number of participants at Nova, the number of graduates and the total number of students being served.

Pat Curley, Eclipse Director, provided the Board with a brief overview of the Eclipse Program which included the original development of the program and how it is currently assisting Watertown School District students under the age of 16. The report also provided a tracking of what the 172 students that have participated in Eclipse are currently doing.

Technology – Dr. Lesli Hanson, Assistant Superintendent, reported that the DS3 line is currently being installed by the state as promised. Dr. Hanson provided a detailed overview of a proposed evaluation plan that would previously evaluate the current Learning with Laptops Initiative. The evaluation would go from January 2004 through June 2006 and would be provided by the TIE Office. The framework of the evaluation would cover: context, program planning and evaluation, impacts on teachers and their teaching, impacts on students and their learning, changes for parents and the community. Dr. Hanson indicated that the cost of this evaluation plan would be funded with federal dollars.

Bob Day, LATI Media Department provided a brief explanation as to how data is currently being collected as to the use of the laptops by students. Day indicated that currently a logging software has been installed on all machines and a large database of information is being compiled.

General discussion was held in relation to the timing of periodic evaluations, the concern as to the proposed cost, and the TIE Organization. The Board of Education showed its general support for the evaluation proposal.

Superintendent Search - Superintendent Edwards indicated that the Watertown School District received 24 applications for the position of Superintendent and that the Watertown Board of Education has reviewed the applications and individuals will be selected for interviews relatively soon.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report - Superintendent Edwards indicated that the Lake Area Multi-District Superintendents did not meet and that he would like to highlight a couple areas that were associated with the regular Lake Area Multi-District Board Meeting. Edwards reviewed the Automotive Program and LeVake's visits to area schools and potential recruiting.

Technology – Peg Holmquist, High School Science Instructor, shared with the Board various projects that she has students complete on their laptops. Holmquist indicated that the laptops provide the students with opportunities to review various modules dealing with the human body. Three students from Holmquist's class provided the Board of Education with a PowerPoint showing what and how they analyze various problems proposed. The students used the laptop technology throughout their demonstration and discussed the use of interactive software that is available on their laptops to assist with the analyzing. These students indicated that they had area doctors assist with the classroom project by presenting information on how the human heart operates.

Healthy Staff – Healthy Youth – Gary Maxwell, Elementary Physical Education Instructor, shared information with the Board of Education on the obesity rates in Watertown. Maxwell indicated that the District students are well below the state and national averages in the area of obesity. Maxwell attributes this to the strong physical education program that our District currently offers, daily physical education programs being offered at the elementary and middle school level and the high school having PE requirements and opportunities through electives. Maxwell briefly reviewed the health curriculums that have been revised and incorporated into the physical education curriculum over the past years. The District currently has a coordinated school health team which provides oversight and suggestions for improvement. Maxwell also indicated that their team focuses not only on healthy students but on healthy staff as well.

Kayla Mohling, District Nurse, indicated that the district nurses are currently increasing the knowledge of district employees on health and wellness. Mohling indicated that a survey and blood pressure check were provided to all employees. Mohling serves as a member of the coordinated school health team and is involved in setting up the various activities to promote fitness. A monthly newsletter is also provided in the promotion of health related issues.

Facilities Study – Rick Hohn, Business Manager, provided the Board of Education with the 2003-04 Facilities Study of the Watertown School District. The study provides information related to the mechanical, electrical, roof and support equipment in all of the district buildings. The study also provides a listing of recent upgrades and areas that may need consideration in future years. Hohn indicated that the document will serve as a source of information during the development of the Capital Outlay Budget for future years.

2004-05 Preliminary Budget Information – Rick Hohn, Business Manager, provided the Board of Education with revenue and expenditure projections for the next few years. The projections also included ending fund balance information which reflect a slight decline being anticipated. The document outlined various assumptions made during the projection process. A graph showing the District's fund balance compared to a 15% cash flow and a 10% cash flow was also provided.

Legislative Review – Superintendent Edwards indicated that the District has been receiving periodic updates on various legislative bills throughout the session. Edwards reviewed House

Bill 1178 which deals with the educational enhancement monies to replace the School and Public Lands shortfall which would call for approximately \$2.2 million being distributed to schools on a per student basis. Senate Bill 205 which deals with the continuation of the one time money that was distributed to schools in 2003-04 was also discussed. Edwards also indicated that there are a few bills that would expand the allowable costs to be taken from the Capital Outlay Fund such as transportation and property insurance.

Bartels expressed his concerns related to the one time money and the problems it causes when those dollars are incorporated into the District's Budget. Bartels also expressed a concern with the potential loss of revenue related to the proposed elimination or modification to the sales tax on food.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report - Superintendent Edwards indicated that the preliminary enrollment numbers for the upcoming year reflect approximately a 10% increase in the number of Watertown students attending the Lake Area Multi-District. This would bring the number of Watertown students attending the Lake Area Multi-District to 444 students. Edwards indicated that it needs to be noted that some of these students are on a waiting list due to class size capacities. Edwards also indicated that currently eighteen Watertown students have received an A in the Multi-District courses which is one of the qualifiers for the career and secondary scholars program.

Mentoring – Dr. Lesli Hanson, Assistant Superintendent, indicated that Jack Holmquest currently receives an annual stipend from the District for his services to the mentoring program. This cost is accommodated by Federal Title II dollars. Mr. Holmquest shared a handout with the Board of Education that outlined the Mentoring Program. Mr. Holmquest spoke to the importance of mentors and mentoring and indicated that he worked with nine new staff members in the Watertown School District this past year. Jaime Berry, Physical Education Teacher, indicated that the mentoring that she has received throughout the year has been very beneficial. She also indicated that it forces her to evaluate herself as a teacher and encourages her to strive for improvement. Casey Feininger, High School Teacher, said that the feedback that he receives from mentors, Jack Holmquest and other department teachers, is very beneficial. Feininger went on to indicate that the classroom visits also provided valuable information. Darrell Stacey, Roosevelt Principal, echoed the thoughts of the teachers and indicated that the Mentor Program tends to build the teacher's confidence much more rapidly. Stacey also indicated that it is very beneficial to have a teacher who is a veteran of Watertown as the mentor.

Technology – Laptop Evaluation – Dr. Hanson, Assistant Superintendent, indicated that the student surveys in reference to the Laptop Evaluation were given on March 8 and that the staff surveys will be given on March 10 – 12. Hanson explained the privacy of the surveys and that students or teachers will not be identified. It was also indicated that as of March 8th, 227 parent surveys have been returned and will be presented to the TIE Office unopened for their tabulation. A meeting with the TIE representatives is scheduled later this week.

Healthy Staff – Healthy Youth – Dr. Hanson, Assistant Superintendent, provided the Board with an outline of the activities scheduled in relation to the Wellness Fair set for March 24, 2004 between 1:00 and 4:00 p.m. Hanson provided a brief listing of the health and wellness sessions to be offered.

Driver's Education Program – Rick Hohn, Business Manager, provided the Board of Education with a financial report in relation to the District's Driver Education Program for the summer of 2003, the budget for 2003-04 and the projected budget for 2004-05. The numbers indicate that the cost per student in relation to this program remains at about \$200.00. The District currently charges \$100.00 to participate in the Driver's Education Program and it is currently projected that this rate will remain for the 2004-05 year. The number of participants over the past 4 years remains between 160 and 170 students.

Board Policies – Dr.Hanson, Assistant Superintendent, presented policy KNB, KNB-A, KNB-B, KNB-C – Library Materials Selection Policy for its first reading and Board consideration. General discussion was held in reference to the policies and it was suggested that the verbage of the current policy KL be incorporated to more clearly indicate an appeal process to the Board of Education

The current Library Materials Selection Policy KNB and KNB-A were presented for their potential deletion.

Legislative Review – Rick Hohn, Business Manager, provided the Board of Education with a brief overview of legislation that dealt with school funding and modifications to the levy maximums for the general fund. Hohn indicated that the student need number has been increased by 2.96% and that the one time money received in 2004 is scheduled to continue for 2005. Additional information as to the affects of the legislative session on the District's finance will be covered during the budget work sessions.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Julie LeVake, Multi District Director, invited the Board Members to participate in Project Night scheduled for April 19th, from 7:00 to 9:00 p.m.. LeVake also shared information in reference to the Skills Competition, articulation agreements with LATI in which forty-four students took advantage of the opportunity and that 19 Multi District students have obtained CTE Scholar recognition.

K-12 Counseling Report – Mike White, representing the K-6 counselors briefed the Board of Education on the counseling activities related to elementary age children. White indicated that there are currently three elementary counselors sharing the duties at the five elementary buildings. White explained that the counselors work cooperatively with parents and classroom teachers. Statistical information in relation to the number children referred annually was also presented.

Jason Buechler, Middle School Counselor, indicated that he sees himself as a pro-active resource. Buechler indicated that he has the opportunity to do some group teaching in the directive study settings and also finds the team meetings of the Middle School staff very beneficial. Buechler also shared that the counselors, district wide, work very closely with students to assist with the transition from elementary to middle school and then from middle school to high school.

Shelley Gauer, representing the high school counselors, indicated that student success is the main priority. Gauer provided a detailed listing of the duties of the counselors and the various areas they deal with related to student needs. Gauer also shared the activities that take place to ensure that students have proper credits to graduate from Watertown High School and to be accepted into desired colleges. It was noted that the awarding of several scholarships also goes through the high school guidance office.

General discussion was held in reference to identification of students in need.

Reading 1st Grant – Steve Anderson and Susan Patrick, elementary principals, provided the Board with a PowerPoint that outlined various aspects of the Reading 1st Grant/Program recently received by the district. The information provided a brief history of the Reading 1st opportunity, the program goals, what the grant dollars can be used for, the granting period being three years and the amount to be received by the Watertown School District being set at \$1,271,721.00 for the elementary schools of Jefferson, Mellette and Lincoln.

Lesli Hanson, Assistant Superintendent, addressed questions related to the existing Reading Recovery Programs and why these three schools and not the other two elementaries were selected for the Reading 1st Grant opportunities.

LATI - DISCUSSION

Tom Paulson, LATI Foundation Director, provided the Board of Education with a PowerPoint presentation in relation to the various aspects of Lake Area Technical Institute. Leading with the statement that LATI is charting a course for the future, Paulson provided a general overview of the course offerings, student enrollment, technology opportunities and a breakdown of the funding sources of LATI. Paulson went on to indicate that currently there are twenty-two different programs which are in four different divisions. The report also outlined the impact that the LATI staff and students have on the community and also the economic impact of having LATI in our community. Paulson indicated that the Lake Area Technical Institute Foundation is currently providing about \$95,000.00 of annual scholarships to various students.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report - Superintendent Edwards reported on the number of graduates going on to further their education and the plans of those students electing to go directly into the workforce. Edwards also informed the Board that it is currently anticipated that the agreement between the Watertown School District and the Grant Deuel School District in which Grant Deuel students participate in Watertown courses will continue for the 2004-05 year. Edwards also indicated that there is currently a waiting list for all programs at the Lake Area Multi-District.

Board Policies – District Administration presented and reviewed for their first reading the following policies: DI – Financial Accounting and Reporting; DA – Internal Controls and Fiscal Code of Ethics; BBFA – Board Member Conflict of Interest; and GBRIM – Certified Employees Not Covered Under Master Contract. It was noted that these policies will be presented in July for Board approval. (A complete copy of these policies can be viewed in the Office of the Superintendent.)

Elementary School Boundaries – Rick Hohn, Business Manager, presented the Board of Education with maps showing proposed boundary expansions for Jefferson and Lincoln Elementary Schools. The boundary expansions would provide information to individuals building homes in the various developments as to the school their children would be attending and the fact that no bus service would be provided in the expanded boundary areas.

Sale of Surplus Property – The Board of Education indicated their desire to sell as surplus the District owned house located near the Watertown Middle School. The Board asked Mr. Hohn to bring this item back as an action item in July with detailed information.

(A copy of the agreement can be viewed in the office of the Lake Area Technical Institute Director.)

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report - Superintendent Dr. Mayer informed the Board that the regular July reorganization meeting was held in which Brad Fishman was elected Chairman of the Multi-District Board. Mr. Fishman reported that the Lake Area Multi District was reviewing the possibility of purchasing a vehicle to transport students.

Mentoring Program – Superintendent Dr. Mayer presented and reviewed a Mentoring Program proposal which indicated that the financial support for the program in the amount of \$5,220.00 would be in the form of a TIE grant. Jack Holmquest provided the Board with a document which addressed the following areas in relation to the proposed program: goals and benefits, the learning curve and need to know items.

Pre-Service Activities – The Board of Education was presented with agendas in relation to the in-service schedules for the new teachers and the returning teachers for this upcoming year. It was noted that the new teacher in-service will be held August 20th and the in-service for all teachers will be held August 23rd and 24th.

Testing Results – Dr. Lesli Hanson, Assistant Superintendent, reviewed via a PowerPoint presentation the testing results of the Watertown School District in relation to two tests: ABACUS and Dakota Step. The report in relation to both tests reflected positive testing results. Dr. Hanson also provided some comparisons as to how the Watertown School District compared to the state average and to several ESD schools. Dr. Hanson indicated that in 2003 several schools within the District were placed on alert and now due to the 2004 test results, several of those schools have moved to school improvement for 2004. It was noted that in most situations the improvement relates to special needs students and their curriculum. The Board of Education commended the students, teachers, principals and particularly Dr. Hanson for her efforts in improving student achievement.

Technology – Kim Bellum, High School Principal, reviewed with the Board of Education Laptop Initiative changes related to student use. The report outlined various rewards and consequences related to use and abuse of the student laptops. Mrs. Bellum informed the Board that the MSN messaging would be disabled from the student machines at the onset of the 2004-05 school year. Dennis Heller, Network Administrator, addressed network issues with the Board.

Auxiliary Gym Floor – Rick Hohn, Business Manager, provided a brief update in relation to the installation of a wood floor in the auxiliary gym. Hohn indicated that the project completion date will not be met due to equipment breakdown. Chairman Schmidt expressed his thanks to the WASK Organization for their commitment towards the cost of this project and indicated that the fund raising activities are not sponsored by the Watertown School District.

2010 Education Initiative - Superintendent Dr. Mayer reported on Governor Rounds 2010 Education Initiative and the four meetings held throughout the state. The topics addressed at these meetings were: high school initiatives, teacher/administrative quality, early childhood education. Dr. Mayer indicated that other topics were also discussed in general and that school districts should applaud the efforts of the Governor and Dr. Melmer, the Secretary of Education.

High School Graduation Requirements – Superintendent Dr. Mayer presented and reviewed the proposed high school graduation requirements as provided by the State of South Dakota.

The proposal allows for: basic graduation requirements, recommended graduation requirements and required offerings of school districts. Dr. Mayer indicated that he feels these proposed modifications may harm the arts/electives.

Proposed Accreditation System – Dr. Mayer reviewed the proposed accreditation model for South Dakota as provided by the Department of Education.

Be it resolved, that the Business Manager of the Watertown School District be authorized to sell the listed property via public auction as allowed by state statute on Saturday, August 14, 2004.

Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05026

Mrs. Wilson moved the approval of the 2004-05 Swimming Pool Agreement between the Watertown School District and the Watertown Community Recreation Center. Mr. Fishman seconded. Five votes yes. Motion carried. (A complete copy of the agreement can be viewed in the office of the Business Manager.)

ACTION 05027

Superintendent Dr. Mayer presented for the Board’s consideration a resolution in the relation to the repeal of sales tax on food. The resolution encourages a no vote on the appeal of the sales tax on food. Mr. Fishman moved that the Watertown Board of Education offer its support on the following resolution.

Resolution on Repeal of the Sales Tax on Food

Whereas, public education needs additional funding to meet federal and state requirements; and

Whereas, public education is currently facing declining school enrollments, aging of facilities, additional costs in health insurance, utilities, and not keeping pace with inflationary costs for various programs; and

Whereas, the repeal of the sales tax on food will cost the state approximately \$42 million and cities approximately \$18 million and force cuts at all levels; and

Whereas, public education strives to provide quality programs at all levels and create opportunities for students, cuts in funding will harm current programs for the low income; harm economic development and not allow South Dakota to compete with other states; and

Whereas, public education is being asked to provide more services to students with special needs, meet additional requirements of NCLB and the state, and provide greater accountability to the taxpayers; and

Therefore, be it resolved that the ESD + 6 Association is opposed to the repeal of the sales tax on food and urges a NO vote in November.

Mrs. Wilson seconded. Following general discussion five votes yes. Motion carried.

ACTION 05028

Mrs. Wilson moved the approval of Policy AD-Attendance Districts as presented. Mr. Fishman seconded. Five votes yes. Motion carried. (A copy of this policy can be viewed in the office of the Superintendent.)

ACTION 05029

Superintendent Dr. Mayer presented for the Board's consideration ten open enrollment applications. Mr. Linngren moved the approval of the open enrollment applications as presented. Mr. Gough seconded. Five votes yes. Motion carried.

ACTION 05030

Mr. Fishman moved the approval of the forty public school exemption requests as presented. Mr. Gough seconded. Five votes yes. Motion carried.

ACTION 05031

Mr. Gough moved the approval of the early graduation request that was the subject of the Executive Session held at 6:30 p.m. Mr. Linngren seconded. General comments were presented and discussion was held in relation to early graduation of students. Following the discussion, two votes yes with Schmidt, Wilson and Fishman voting no. Motion did not carry.

ACTION 05032

Mr. Fishman moved the approval of the student assignment request for residency status pursuant to 13-28-10 as presented. Mr. Gough seconded. Five votes yes. Motion carried.

COMMUNICATIONS

Dr. Mayer, Superintendent, informed the Board that Rick Hohn, Marly Wilson and himself will be attending the joint convention held in Sioux Falls later this week.

Mr. Schmidt indicated that Dr. Mayer and himself are reviewing the possibility of presenting a 30 day look ahead schedule for Board Members throughout the year.

Dr. Lesli Hanson, Assistant Superintendent, indicated that the kindergarten numbers will be reviewed on Tuesday and the current numbers indicated that class sizes will be nearing the cap.

ADJOURNMENT

Mr. Gough moved that the Watertown Board of Education adjourn its regular meeting at 9:05 p.m. Mrs. Wilson seconded. Five votes yes. Motion carried.

The Watertown School District uses 251 slots of their allowed 292. Dr. Mayer indicated that the Legislative Open House is scheduled for November 16th at 6:00 p.m. and that the next Regular Meeting of the Lake Area Multi-District Board is scheduled for Wednesday, September 15th.

Roosevelt HOSTS Program Report – Julie Chapman, HOSTS Program Coordinator, and Jodi Peters, HOSTS Customer Account Representative, provided a PowerPoint Presentation which outlined the goals of the HOST Program at Roosevelt. It was indicated that the funding for this program is currently through a comprehensive school reform grant which concludes at the end of the 2004-05 year. The presentation provided demographics of District students and the students participating in the HOSTS Program. Pre and post-test scores of kindergarten through sixth grade students were also shared, showing excellent results. Non-academic gains which were identified by a teacher observation survey were also reviewed. Chapman indicated that the mentors and volunteers participating in the program are of most importance to the program's success and it was noted that 116 participated in the program last year. Chapman also indicated that an additional grant is being pursued for the continuation of the program beyond the 2004-05 year. Jodi Peters, Customer Account Representative, indicated that the HOST Program being offered at the Roosevelt Elementary School is one of the best programs nationally and therefore, presented Chapman and the Roosevelt HOST Program with the National Exemplary Award. Peters indicated that less than 20% of the HOSTS Programs are in receipt of such recognition. The Watertown Board of Education thanked Julie Chapman and the numerous mentors and volunteers for their efforts.

Technology – Kim Bellum, High School Principal, provided a brief update related to the Laptop Initiative and some of the uses being reported by students and staff. Bellum also indicated that she is beginning to receive requests from various area schools desiring an onsite visit of our Laptop Initiative.

Fan Behavior – Superintendent Dr. Mayer indicated that the Administration has met and begun discussing fan behavior at sporting events. The preliminary plan is to involve several groups in the development of various procedures to deal with inappropriate fan behavior.

City Sales Tax Contribution – Superintendent Dr. Mayer recapped the City Sales Tax Dollars provided to the District over the past 16 years. Dr. Mayer indicated that we need to say thank you for the dollars over the years and we also need to indicate that these dollars will be missed in future revenue. Linngren asked that the Board authorize Dr. Mayer to go before the City Council on behalf of the Board of Education to express its gratitude.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Dr. Mayer informed the Board that the two students who were first denied the opportunity scholarships due to the Health Class at the Multi District not qualifying have now received these scholarships due to the efforts of Lesli Hanson and her work with the Department of Education in certifying this Health Class. Dr. Mayer also indicated that the new accreditation requirements were also discussed at the Superintendent's Meeting and the fact that there may be fewer opportunities for elective courses. Dr. Mayer also indicated that November 16, 2004 is the date set for the Open House and Legislative Meeting at the Lake Area Multi District.

Academics – Dr. Leslie Hanson, Assistant Superintendent, presented and reviewed a handout in relation to the Elementary Language Arts Programs in the District Elementary Schools. The numerous programs and staff development opportunities were highlighted. Dr. Hanson also explained the funding sources for the various programs. General discussion was held in relation to the success of the special programs in the Elementary Schools and how the Title Programs have been revamped in the Watertown Middle School and High School to better meet the needs of students.

Superintendent Dr. Mayer shared the State Proposed Accreditation System and highlighted the modifications and requirements for the various levels: Basic, Capacity Builder and Exemplary. The Watertown District is currently NCA Accredited at the 7-12 level and we may need to expand to the lower levels to move beyond the level of Basic.

Technology – Kim Bellum, High School Principal, updated the Board of Education on the October 5, 2004 meeting of the Laptop Leadership Committee. Bellum outlined the positive comments related to the usage of the laptops by students and staff. Bellum indicated that several staff development opportunities have been completed and indicated that continued staff development will be provided in the future. Bellum indicated that the computers are being used for educational purposes.

Dr. Lesli Hanson, Assistant Superintendent, shared positive comments in relation to K-12 technology and the progress made district-wide in the various areas. Dr. Hanson expressed her gratitude for the technology staff for their desire and knowledge to provide technology support for District staff and students.

Superintendent Dr. Mayer addressed the Board about the possibility of a special meeting when the Board of Education can view the District technology equipment. Board members expressed their desire for a special meeting and asked Dr. Mayer to arrange such a meeting.

Self-Funded Insurance Report – Rich Hohn, Business Manager, provided a year-end report of the School District's Employee Benefit Trust – Self-Funded Group Health & Dental Insurance. Hohn indicated that the income exceeded the expenses during the fiscal year by the amount of \$267,000.00. Thus bringing this fund's cash position on September 30, 2004 to the level of \$1,397,000.00. Hohn indicated that much of the ending cash position is reserved for claims and administrative costs that may have been incurred but yet to be paid. The report

also provided a projection in relation to the 2004-05 year, taking into account the new monthly premium rates and the anticipated costs of claims, administrative fees and stop-loss insurance. A complete copy of this report can be viewed in the office of the Business Manager.

Forensics Program – Superintendent Dr. Mayer read two letters from the National Forensics League which outlined two honors bestowed on the Watertown School District's Forensics Program. The first letter indicated that our Forensics Program has qualified for the NFL's Elite Society "The 400" and the second letter indicated that the Watertown School District's Forensics Program has been awarded the Leading Chapter Award in the Northern South Dakota District. Rich Mittelstedt, Director of Speech Activities, thanked the Board of Education and the Watertown community for their continued support. Mittelstedt also indicated that this is the 11th year that the Watertown School District has received the Leading Chapter Award and that is the most any school district has received such an award in the entire nation.

Distinguished School – Superintendent Dr. Mayer shared with the Board a letter received from Governor Rounds indicating that the Watertown McKinley Elementary School is recognized as a Distinguished School under the No Child Left Behind Act. Dr. Mayer indicated that a special ceremony will be held at McKinley School at 9:00 A.M. on Tuesday, October 11, 2004.

Academics – Superintendent Dr. Melmer provided the Board with an early graduation review that included the pros, cons, thoughts and recommendations for policy modification. General discussion was held in relation to the legality of various points and whether early graduation is in the best interest of students. Mr. Fishman offered a slight modification to assist in clarifying that early graduates would no longer be considered students at Watertown High School and that they would not be able to attend or participate in school events as students of the Watertown High School. (A complete copy of this information can be viewed in the Office of the Superintendent.)

Technology – Dr. Lesli Hanson, Assistant Superintendent, and others who attended a Technology Leading and Learning Conference in Denver provided a brief report of the activities. Hanson shared a list of the sessions the group had the opportunity to attend. Scott Shephard, High School Teacher, indicated that this was one of the best conferences he has attended. The sessions were under the thoughts that schools have access to computers, not that we should be seeking access to technology. Shephard provided general comments as to the sessions he attended. Kris O’Brien, High School Teacher, indicated that she looked for sessions dealing with the increasing of student achievement and reading scores. O’Brien shared information on various software programs that assist students with reading. Brad Brandsrud, High School Assistant Principal, attended sessions related to the benefits of a web world for school districts. Brandsrud also indicated that several student information data software vendors were present at the conference, including Infinite Campus, the software currently used by the Watertown School District. Brandsrud indicated that Infinite Campus is one of the two top software programs for handling student data. Brandsrud also indicated that during the general keynote portion of the conference, several schools were saluted as to what they are doing with technology and it appears that our School District is towards the upper end of the scale when it comes to providing technology opportunities for District staff and students.

Healthy Staff & Healthy Youth – Superintendent Dr. Mayer indicated that the Watertown Community and the District Physical Education Instructors hosted the State Physical Education Conference this past week.

Sportsmanship – Superintendent Dr. Mayer presented and reviewed a list of activities that the Watertown School District is promoting in relation to sportsmanship at athletic events. Dr. Mayer indicated that the proposed activities are for the benefit of the adult spectators as well as the students in attendance.

Block Scheduling – Mr. Gough indicated that he would like to have an opportunity when the Board of Education could further discuss the District's Block Scheduling and weighted grades in the near future.

Special Board Meeting, November 15th, 2004 – Superintendent Dr. Mayer reviewed the proposed schedule for the Special School Board Meeting which is scheduled for November 15, 2004 at 7:00 P.M. Dr. Mayer indicated that the meeting will begin in the Office of the Superintendent and from there the Board of Education will move to various schools for presentations related to technology. The Board will conclude their meeting at McKinley Elementary School where they will have a Technology Presentation and tour the older portion of that facility.

COMMUNICATIONS

Rick Hohn, Business Manager, reported on the Medicaid Administrative Claiming Program in which the Watertown School District is participating along with several other school districts across the State of South Dakota. This Medicaid Program is new to the State of South Dakota and may provide additional funding for school districts as related to their costs incurred in providing services to Medicaid eligible students.

Superintendent Dr. Mayer reviewed and discussed the October Enrollment Report.

Superintendent Dr. Mayer indicated that Dr. Hanson and Kim Bellum will be attending the State Board of Education Meeting. Dr. Hanson indicated that the new graduation requirements will be discussed. Mr. Linngren asked if any school districts are opposing the modifications to the graduation requirements. Hanson indicated that the smaller schools may

have greater problems in trying to meet these new requirements. General discussion was held in relation to the new graduation requirements and how these modifications affect general/elective courses.

Superintendent Dr. Mayer indicated that the Watertown School District intends to continue the practice of transporting private school students until a time when the District's insurance carrier informs the District that coverage for those students no longer exists.

Superintendent Dr. Mayer briefly outlined a Funding Proposal For Education as presented by the Sioux Falls School District which calls for a three percent minimum increase in State funding. Dr. Mayer indicated that currently, the small and middle size schools are on board with the Sioux Falls Proposal.

Superintendent Dr. Mayer reminded everyone that National Education Week is November 15th through the 19th and provided the Board of Education with a list of activities taking place throughout our District.

Superintendent Dr. Mayer indicated that the Vocal Music Program at the Watertown High School has informed him of their desires to travel to Florida this summer. This group will need Board Approval for the travel and the possible fundraisers associated with this trip.

Superintendent Dr. Mayer informed the Board of Education that the December 13th regular School Board Meeting is also the evening of the Christmas Concert. The Board indicated that they will consider a change of this meeting date at the special meeting to be held November 15th.

Chairman Mark Schmidt asked members of the Board of Education to review their calendar for the establishment of a Board Retreat during the holiday break. This date will also be established at the special November 15th meeting.

Mark Schmidt also reminded Lake Area Multi-District Board Representatives that the meeting is set for 5:30 p.m. due to the Open House scheduled for later that evening.

DECEMBER REGULAR MEETING DATE

Mrs. Wilson moved that the regular December meeting of the Board of Education be moved from December 13th to December 14th at 7:00 p.m. pending the availability of the City Council Chambers. Mr. Gough seconded. Five votes yes. Motion carried.

SCHOOL BOARD RETREAT

Mr. Gough moved that the Watertown Board of Education meet in a Board Retreat setting on December 9th at 5:30 p.m. in the Office of the Superintendent. Mr. Fishman seconded. General discussion was held in reference to potential agenda items: Weighted Grades, Block Scheduling, Professional Feedback for Superintendent Dr. Mayer, McKinley School Project and Gym Space District-Wide. Following the general discussion, five votes yes. Motion carried.

JAZZ CHOIR TRIP

Burdell Gauger, High School Choir Director, presented and discussed with the Board of Education a proposal in which the Watertown High School Jazz Choir would be traveling to Orlando, Florida to participate in jazz choir activities. Gauger indicated that he and the representatives in attendance were seeking Board approval of the trip and the anticipated fund raising activities. The general overview indicated that approximately 40 students would be traveling at an estimated cost of \$630.00 per student. Gauger indicated that the cost of the trip would be borne by parents and/or fund raising activities. General discussion was held and it was indicated that this item would be placed on the Board Retreat Agenda set for December 9th for action.

TECHNOLOGY DEMONSTRATIONS AND REVIEW

The Watertown Board of Education was provided with a general overview of the K-12 Technology and was presented with several demonstrations. The Board of Education started their Technology Information Sessions at the High School and then moved to the Middle School. Due to the lateness of the evening, the Elementary Demonstration in the area of the Success Maker Program was postponed at this time.

MC KINLEY FACILITY

The Watertown Board of Education toured the original McKinley School Building where Dennis Arnold, McKinley Principal, pointed out various concerns with this structure. The Board of Education indicated that the McKinley School structure will be an agenda item on the upcoming Retreat scheduled for December 9, 2004.

STAFF/STUDENT RECOGNITION

The Watertown Board of Education recognized the following for their achievements:

- All State Orchestra Members: Julia Konstant, Stephanie Smith, Suzanne Sherwood and Allison Rokusek
- National Honors Choir Member: Erika Hoffman
- Assistant High School Principal of the Year for South Dakota: Troy Terronez
- National Teacher Certification: Peg Holmquest

Mrs. Holmquest provided the Board of Education with an overview of the process necessary to receive National Teacher Certification.

McKINLEY SCHOOL PROJECT

Jeff DeVille, representing the McKinley School parents, addressed the Board of Education in relation to the need to replace the old portion of McKinley Elementary School. Several concerns were stated and it was indicated that it is desirable that the Board of Education place this project at a higher level of priority.

The Watertown Board of Education established February 15th, 2005 at 7:00 p.m. at McKinley Elementary as the date, time and location of a Special Meeting to discuss the McKinley Elementary School Project.

LATI – DISCUSSION ITEMS

Mr. Gough moved that the contract recommendations be approved as presented. Mr. Linngren seconded. Five votes yes. Motion carried.

ACTION 05072

Deb Shephard, LATI Assistant Director, presented a request for the authorization to bid a glider kit truck package for the Lake Area Technical Institute’s Diesel Department. Shephard indicated that this practice has proven successful over the previous years and that LATI will sell this vehicle at a later date or maintain it for a training aid. Mr. Fishman moved the approval to bid a glider kit truck package as presented. Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05073

Rick Hohn, Business Manager, reviewed a Resolution authorizing the South Dakota Health and Educational Facilities Authority to refund the current outstanding bonds in relation to the facilities located at the four Technical Schools in an attempt to take advantage of the lower interest rates. Mrs. Wilson moved approval of the Resolution authorizing the refunding of the bonds as requested by the South Dakota Health and Educational Facilities Authority. Mr. Fishman seconded. Five votes yes. Motion carried. (A complete copy of this Resolution is attached to the minutes and can be viewed in the Office of the Business Manager.)

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Mayer indicated that he did not have the opportunity to attend the most recent Lake Area Multi-District Superintendent’s Meeting but did provide an overview of the upcoming meeting of the Lake Area Multi-District Board. A couple of items were highlighted: Two additional schools are considering participation in the Lake Area Multi-District and a new course offering “Commercial Arts” is being considered. General discussion was held in relation to these two Agenda items.

ACTION 05074

Dr. Lesli Hanson indicated that three of our District Attendance Centers were placed on School Improvement under the guidelines of No Child Left Behind and therefore, these schools were required to create a two-year School Improvement Plan.

Vicki Mack, the designated School Improvement Coordinator, shared the Jefferson Elementary School Improvement Plan in the absence of Curt Ehresmann, Principal. The Plan addressed the improvement in the areas of Reading for the identified sub-group of Special Needs Students. The goals of the Plan were also presented and discussed. Mack shared information in relation to various Reading Programs being implemented at Jefferson Elementary. Mack also indicated that schools must meet adequate yearly progress in the two-year period. General discussion was held in relation to No Child Left Behind Guidelines and any potential for upcoming modifications. Following the discussion, Mrs. Wilson moved that the School Improvement Plan for Jefferson Elementary be approved as presented. Mr. Fishman seconded. Five votes yes. Motion carried.

Dan Albertsen, Middle School Principal, provided an explanation as to the reasons the Middle School was placed on School Improvement. Albertsen indicated that the concern area was Special Needs Students. The action steps, programs in place and strategies to assist with student achievement were reviewed and discussed. Following the general discussion, Mr. Gough moved that the School Improvement Plan for the Watertown Middle School be approved as presented. Mr. Fishman seconded. Five votes yes. Motion carried.

Kim Bellum, High School Principal, indicated that the School Improvement areas for the High School are in Reading and Math for Students with Disabilities. Bellum provided a general overview of the High School Improvement Plan which included curriculum revisions in the Reading and Math areas. New scientifically research based computer programs have also been put in place. Following the general discussion, Mr. Fishman moved that the School Improvement Plan for the Watertown High School be approved as presented. Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05075

Dr. Lesli Hanson, with the assistance of Jean Moulton, presented a request for the addition of a Drama Production Course – Theatre Crafts and Advanced Acting. This advanced class would require the prerequisite of Theatre in Action. The general overview of the course indicated that students would be given instruction and practice in all theatre crafts: design, sound, lights, makeup, costume, direction, set construction, writing and acting to present a production. It was also indicated that the addition of this course would not require any additional staffing or supplies/equipment. General discussion was held in relation to the importance of the course and the number of students expected to participate. Following the general discussion, Mr. Gough moved that the Theatre Crafts and Advanced Acting Course be approved as presented. Mr. Linngren seconded. Five votes yes. Motion carried.

ACTION 05076

Dr. Lesli Hanson, Assistant Superintendent, informed the Board of Education of the need and desire to modify the Watertown High School Handbook in the area of Grade Classification for

Juniors and Seniors. The proposed change would allow students to be classified as Seniors following the completion of three years of High School and the earning of 12 or more credits. Hanson indicated that the main purpose for this modification would be so several students currently classified as Juniors would not be required to take the Dakota Step Test for the second time. Hanson indicated that this is consistent with other School Districts throughout the State. Following the general discussion, Mr. Gough moved that the reclassification of Juniors be approved as presented. Mr. Fishman seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Technology – Kim Bellum, High School Principal, indicated that the Laptop Leadership Team recently held a meeting for the purpose of developing Technology Competencies. Bellum also indicated that the High School Freshmen have recently been surveyed in relation to the TIE Evaluation. Other areas such as student attendance and office referrals are also being tracked for the TIE Evaluation. Bellum indicated that various schools throughout the State are visiting our High School for the purpose of a general review of the Laptop Initiative.

Healthy Staff, Healthy Youth – Gregg DeSpiegler, Elementary Physical Education Instructor, provided an overview of a Health and Physical Education Convention recently held in Watertown. The convention had 106 participants and offered 43 different sessions for the participants to attend. DeSpiegler indicated that all K-12 Physical Education Instructors from Watertown took an active role in the development and running of the convention. The Watertown School District received the STARS Award for its Physical Education Programs. During the convention, Watertown was labeled as the school with high standards for Physical Education due to the fact that our students participate in Physical Education daily.

School Funding Proposal – Rick Hohn, Business Manager, provided the Board of Education with an overview of the School Funding Proposal as presented by Governor Rounds and the Funding Proposal being proposed by the School Coalition. Hohn indicated that during Governor Round's Budget Address, an increase in school funding of 2.9% was presented. Due to the discontinuance of the one-time money from the School Enhancement Funds and the allocation to accommodate the shortfall in State Apportionment, the actual increase in the funding formula is 1.08%. Hohn indicated that these percents do not take in consideration any declining enrollment being experienced by schools throughout the State. Superintendent Dr. Mayer expressed his concern and disappointment with the Governor's Proposal and the limited amount of additional revenue being provided to School Districts.

ACTION 05077

Mr. Gough moved the approval of the verified claims and salaries for the month of November as presented. Mr. Schmidt seconded. Five votes yes. Motion carried.

ACTION 05078

Mr. Gough moved that the employment of Tammy Salinas, Special Education Aide, be terminated. Mr. Linngren seconded. Five votes yes. Motion carried.

ACTION 05084

Rick Hohn, Business Manager, presented a request for the authorization to design and bid a handicapped restroom to be located near the Main Entrance of the Watertown Stadium. Hohn indicated that this restroom facility would better serve the needs of handicapped individuals attending sporting events and that this project would be funded by a transfer from the Concessions Fund. Following the general discussion, Mr. Fishman moved that the Business Manager be authorized to design and bid the proposed handicapped restroom. Mr. Schmidt seconded. Two votes yes with Gough, Linngren and Wilson voting no. Motion did not carry.

ACTION 05085

Rick Hohn, Business Manager, presented a request that would authorize the bidding of new lighting at the Watertown Stadium. Hohn indicated that the current lights were installed in 1972 and that 37 of the 126 lights were not operational during the 2004 Football Season. Due to the age and condition of the lights, replacement ballasts and brackets are unavailable. It was also indicated that the School District has met with City Officials in relation to the possibility of them joining in the costs of this project. Hohn indicated that City Officials have been receptive but have not provided final commitment until actual bid prices are received. Mr. Gough moved the authorization of the Business Manager to bid the Stadium Lighting Replacement. Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05086

Rick Hohn, Business Manager, presented a request for the authorization to bid a school bus for the upcoming year. Mr. Fishman moved that the Business Manager be authorized to bid one replacement school bus for the 2005-06 year. Mrs. Wilson seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Mayer indicated that the next meeting of the Lake Area Multi-District Board will be held Wednesday, February 16, 2005. Dr. Mayer highlighted the following agenda items: Director’s Contract, Course Registration Information and the Commercial Arts Program and other Communication Items. Brad Fishman, Chairman of the Lake Area Multi-District Board, indicated that he felt the Commercial Arts Program and related discussion will encompass most of the meeting.

Academics – Dr. Lesli Hanson, Assistant Superintendent, shared and reviewed the District’s writing scores for Grade 5 and Grade 9. Dr. Hanson indicated that the Narrative/Descriptive prompt scores showed that Roosevelt and McKinley had significant declines, Mellette went down slightly and Jefferson and Lincoln scores increased nicely. Dr. Hanson indicated that at this point there is not a known reason as to why many writing scores went down throughout the State of South Dakota and in our District as well. The Persuasive/Expository scores at Grade 9 were relatively unchanged when compared to the previous year. Dr. Hanson explained the various steps to be taken by the District to work toward improvement of the writing scores.

Technology – Kim Bellum, High School Principal, presented and reviewed a Teacher Technology Competencies Survey to be taken by the 9-12 Staff Members to assist the District with the development of future staff training and workshops. The survey consists of 13 different areas to be considered and evaluated. Mrs. Bellum also indicated that the Technology Committee is in the process of developing a K-8 Staff Survey as well. It is

currently anticipated that the Board of Education will be presented with this survey at the March Meeting. The Board of Education had a lengthy discussion in relation to what part Technology plays in the evaluation process.

Dr. Lesli Hanson, Assistant Superintendent, and Dennis Heller, Network Administrator, offered a PowerPoint Presentation explaining the National Education Technology Plan for 2004. Following the review of the National Technology Plan, an early look at the District's 2005 Technology Plan was provided. Dr. Hanson indicated that the Technology Plan will be presented to the Board of Education for their review in April or May.

Healthy Staff, Healthy Youth – Superintendent Dr. Mayer indicated that the District's Annual Health Fair will be held at the Watertown High School on Wednesday, February 16th. Dr. Mayer indicated that this Health Fair is a direct byproduct of the Healthy Staff, Healthy Youth Committee.

2005-06 Budget Projections – Rick Hohn, Business Manager, presented the Board of Education with budget information and projections for the year just completed, 2003-04, the current year 2004-05 and the upcoming budget year of 2005-06. Hohn asked that those in attendance understand that these projections are very preliminary due to the fact that the major funding sources of the District are yet uncertain. The projections reflect a decline in the fund balance of the General Fund from 19.77% to a projected 16.8% in 2005-06. Hohn went on to explain that the District currently needs approximately a 10% fund balance to supply sufficient cash flow throughout the year so the District does not have to borrow operating capital.

Arrow Education Foundation Board Members – Superintendent Dr. Mayer informed the Board of Education that Lori Engebretson and Sharese Jensen will be serving as new members of the Board of Directors of the Arrow Education Foundation.

McKinley Elementary – Chairman Mark Schmidt offered a reminder that the Watertown Board of Education will be meeting in a Special Session on February 15th at 7:00 PM at McKinley Elementary School for the purpose of discussing the future of that structure.

Vance Newman and Tom Coughlin, representatives from Daktronics Sports Marketing, presented a conceptual design via the use of PowerPoint which allowed the viewing of various ideas related to marketing of the Civic Arena and Watertown Stadium. Mr. Newman provided some financial comparison information as it related to Aberdeen and Huron and also discussed the advertising rights of the Baseball Association and their outfield fence. Newman indicated that the cost of the scoreboard for the Watertown Stadium was estimated at \$150,000.00. An estimate for the Arena scoreboard and statistic board was not provided. Mr. Newman also offered an estimate that the Watertown School District could receive an annual financial benefit between the amounts of \$45,000.00 and \$50,000.00. Mr. Coughlin indicated that they were asking the Board of Education for the approval of the DSM marketing process, granting DSM the marketing rights for the Stadium and the Arena for a 180 day period. General discussion was held in reference to the various aspects of the equipment, advertising contracts and the contract that would be needed between the Watertown School District and Daktronics Sports Marketing. Following the general discussion, Mrs. Wilson moved that this item be tabled until further information and additional clarification is provided. Mr. Gough seconded. Five votes yes. Motion carried.

ACTION 05111

Rick Hohn, Business Manager, reviewed a proposal in which the City of Watertown would be giving Well #9 located at the Watertown Stadium to the Watertown School District for its

future use. It was indicated that this Well could be used to irrigate portions of the Watertown Stadium in the future. Mr. Fishman moved approval of the following Indemnification and Waiver for the donation of surplus #9 Well and building to the Watertown School District.

FOR AND IN CONSIDERATION of the mutual benefits inuring to the Watertown School District No. 14-4, hereinafter referred to as "School District", the receipt and sufficiency of which is hereby acknowledged, this Indemnification and Waiver is entered into this 14th day of February, 2005, with School District acknowledging it has the authority to execute this agreement, and is subject to the following terms and conditions:

1. The City of Watertown has declared the following items surplus property:

#9 Well and its associated building which are located at 3 Fourth Street S.W., Watertown, South Dakota. Said property is located on real property described as Outlot "A" in NE ¼ of NW ¼ of Section 36, Township 117 North, Range 53 West of the 5th P.M., in Codington County, South Dakota.
2. The #9 Well consists of a 30" Casing x 30' Deep and was developed in conjunction with South Dakota Appropriated Water Right #1217-3 with a Water Right Priority Date of 12-3-56. The #9 Well has an associated building, which is 16' 9" x 11' 6" masonry with flat asphalt roof, which was constructed 1965.
3. The City of Watertown has decided, pursuant to S.D.C.L. §6-5-2 to donate the above-described surplus property to the School District for the authorized public purpose of providing irrigation to the grounds of the Watertown School Stadium, and has adopted a Resolution authorizing this gratuitous transfer, a copy of which is attached hereto as Exhibit A and is incorporated by reference.
4. The School District hereby accepts this gratuitous transfer and acknowledges its receipt of the above-described property as is, and that no representations or other warranties are being provided hereunder, nor any assurances that said property is fit for any particular purposes.
5. The School District hereby knowingly and voluntarily agrees to indemnify and hold harmless the City of Watertown, its employees, officers and agents, in whole or in part, from any future claim whatsoever, for damage or injury, whether to person or property, arising out of, or in any way connected with the use or enjoyment of the #9 Well and its associated building after the date of transfer to the School District, including but not limited to any death, personal injury, or any injury to person or property;
6. It is agreed and understood by the School District that this Indemnification and Waiver is further intended to protect the City of Watertown, its employees, officers and agents from any and all liability, arising as a result of the use, ownership, irrigation or enjoyment of the #9 Well and its associated building, after the date of transfer to the School District, that said benefit inures to the City of Watertown, and is hereby knowingly, intelligently and voluntarily given.

Dated this 14th day of February, 2005.

Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05112

Rick Hohn, Business Manager, presented the following bids for Board consideration in relation to the new lighting at the Watertown Stadium.

	Muth Electric	Engelstad Electric
Base Bid – Supply and install new stadium lighting	\$102,412.00	\$105,000.00

Hohn indicated that the funding for this project would break down as the City contributing \$40,000.00, Watertown Community Foundation contributing \$20,000.00, with the Watertown School District responsible for the remaining \$42,412.00. Hohn went on to indicate that the City Utilities Department has agreed to provide new electrical wiring from the transformers to the base of each pole which has an estimated value of \$14,000.00. Mrs. Wilson moved the approval of the bid received from Muth Electric in the amount of \$102,412.00 for the replacement of the Stadium Lights and authorized the acceptance of the \$20,000.00 from the Community Foundation and the \$40,000.00 from the City of Watertown. Mr. Fishman seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Elementary Planning Time – Superintendent Dr. Mayer provided a brief overview of the Elementary Planning Time Committee’s activities and indicated that the committee decided to offer a presentation to the Board of Education as a way to illustrate the jobs and duties of Elementary Teachers. Dr. Mayer indicated that any plan and possible solutions would have to go through the negotiations process.

Trisha Walker, Elementary Teacher Representative, provided the Board of Education with a PowerPoint Presentation outlining the efforts of the Planning Time Committee along with its main objective: to present recommendations for consideration by the School Board and WEA that would provide additional planning time for the Elementary Instructors. The presentation outlined various activities and duties performed by Elementary School Instructors to assist in meeting the numerous needs of Elementary School Students. The presentation also provided information as to how the student population of the District has changed over the past several years adding additional time constraints to Instructors. The initial solution offered by the committee would be to extend the Elementary Student’s school day on Monday, Tuesday, Thursday and Friday by ten minutes and to provide a weekly early dismissal at 2:00 p.m. each Wednesday for teacher preparation time. Mrs. Walker indicated that their request is that the committee be allowed additional time to study this and other possible solutions during the upcoming year.

The Board Members thanked Mrs. Walker and the committee for their hard work. General discussion was held among Board Members and Mrs. Walker related to the presentation and initial proposal. The consensus of the Board was to have this committee continue in its efforts to solve the lack of planning time issue at the Elementary level. It was again noted that any proposal/solution would need to go through the negotiations process due to the Master Contract addressing planning time at the various grade levels.

The Board of Education took a five minute recess.

Lake Area Multi-District Board Report – Superintendent Dr. Mayer commented on the Commercial Arts Class being proposed for the upcoming year at the Lake Area Multi-District. Dr. Mayer indicated that 28 students have indicated participation and that Watertown and Castlewood have chosen not to participate in the new course offering. Dr. Mayer noted that the Watertown High School is currently using 386 of its 400 allowable slots at the Multi-District. A Petition is currently being circulated to restore the Ag Course at the Multi-District. Discussion of the possibility of dual enrollment for FFA students at Lake Area Technical Institute is being discussed.

Academics – Kim Bellum, High School Principal, discussed the percentile grading scale. The percent and related grades were reviewed. Mrs. Bellum indicated that the plus or minus added to the Letter Grade does not affect the student’s grade point average. Mrs. Bellum indicated that it does affect the State Opportunity Scholarship in which a student who receives a C- would not be allowed to participate in such scholarship; therefore, the reason for eliminating the plus or minus on the grades that are reflected on a student transcript.

McKinley Elementary – Rick Hohn, Business Manager, provided the Board of Education with a possible design/construction timetable as it relates to building on the current McKinley site understanding that two phases would be needed. Mr. Hohn also offered very preliminary cost estimates along with potential funding sources for these costs. The funding sources would include use of current cash reserves along with the issuance of Capital Outlay Certificates. General discussion was held in relation to constructing on the current site, adding to another Elementary School to make a four-section school and constructing on a new site in the Southwest part of town. The Board of Education directed Rick Hohn, Business Manager, to present an architectural firm for Board consideration to construct a two-section Elementary School at the current McKinley site.

Deb Shephard, Assistant Lake Area Technical Institute Director

Mr. Gough seconded. Five votes yes. Motion carried.

ACTION 05126

Rick Hohn, Business Manager, provided the Board of Education with the construction and resurfacing history of the track located at Mitchell Field. Hohn indicated that the track has deteriorated over the past several years. The problem area is the one and one-half inch sand and rubber cushion that has begun to disintegrate, thus not allowing the one-quarter inch rubber mat to adhere to. Hohn indicated that the plan would be to remove the current rubber mat and the sand and rubber cushion down to the three inches of asphalt which is believed to be in adequate condition. Once the surface is cleared to the asphalt, the installation/application of a one and one-half polyurethane track surface would be applied. The estimated costs of this project would be between \$80,000.00 and \$93,000.00. Mrs. Wilson moved that the Business Manager be authorized to bid the Track Repair/Replacement Project. Mr. Fishman seconded. Five votes yes. Motion carried.

ACTION 05127

Rick Hohn, Business Manager, presented for the Board's consideration a Supplemental Budget related to the receipt and expenditures of the contributions to be received from the City and the Watertown Community Foundation in reference to the Stadium Lighting Project. Mr. Fishman moved that the following 2004-05 Supplemental Budget be approved.

RESOLUTION

Presiding Officer
Business Manager

Mrs. Wilson seconded. Five votes yes. Motion carried.

ACTION 05128

Mr. Fishman moved that the previously tabled discussion/action item, scoreboard at Stadium, be removed from the table for further discussion and action. Mr. Gough seconded. Five votes yes. Motion carried.

The Board of Education briefly discussed the proposal received from Daktronics Sports Marketing in relation to scoreboard installation and marketing proposals at the Watertown Stadium and Civic Arena. Dr. Mayer indicated that the current scoreboard can be fixed and that when the District was originally looking at the possible replacement of the Stadium scoreboard, an estimated cost range between \$30,000.00 and \$35,000.00 was provided. The Board of Education asked that District Administration continue to work with Daktronics Sports Marketing in an attempt to bring a proposal of greater detail for Board consideration in the future. Mr. Gough moved that the Watertown School District issue a thank you to Daktronics Sports Marketing for their time and effort and that the current scoreboard at the Stadium be repaired. Mr. Linngren seconded. Five votes yes. Motion carried.

ACTION 05129

Superintendent Dr. Mayer presented four open enrollment requests for the Board's consideration and recommended that application number four be denied due to space limitations. Mr. Linngren moved the approval of open enrollment applications number one, number two and number three as presented. Mr. Gough seconded. Five votes yes. Motion carried.

LATI DISCUSSION ITEMS

Gary Williams, LATI Director, discussed the \$1.4 million being distributed by the State to the four Technical Education Schools. Williams stated that \$700,000.00 will be distributed this year and \$700,000.00 in 2007. Williams indicated that LATI will receive approximately 25% or about \$350,000.00. Williams indicated that his 2004-05 budget is approximately 1.75% short; thus, causing the use of cash reserves. This State allocation will be very close to covering the budgeted deficit.

Gary Williams, LATI Director, also stated that enrollment for the upcoming school year reflects an increase of approximately 16% over the previous year. These improved enrollment numbers will assist with the financial operation of the institution.

ACTION 06014

Gary Williams, LATI Director, asked for Board approval to seek bids for a flight simulator for the Aviation Program. Mrs. Jones moved that LATI be authorized to seek bids for the flight simulator as requested. Mr. Fishman seconded. Five votes yes. Motion carried.

LATI CONTRACT RECOMMENDATIONS:

Amy McLain – Temporary Day Care Worker - \$7.90/hr

Pam Hohn – Human Service Curriculum – 10 hrs @ \$16.08/hr - \$160.80

Niccole Mack – Anat 142 Instructor – 2 Sections - \$4,200.00

Mrs. Wilson moved that the contract recommendations be approved as presented. Mr. Gough seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Academics – Dr. Lesli Hanson, Assistant Superintendent, provided information related to Staff Development opportunities and a preliminary report on the District test scores. Hanson indicated that a detailed presentation on the test scores will be provided at the September Board Meeting due to the fact that the complete test score report will be released by the State of South Dakota on August 10th. Staff Development areas briefly discussed were: Basic Emergency Lifesaving Skills Training, Six Traits of Writing, Solitary Play and Young Children With Disabilities, Teaching Reading in the Content Areas, Well Managed Classroom, Specialized Classroom Management, Technology in the High School and K-8.

Dr. Hanson's brief overview of the test scores provided a comparison of the SAT 10 scores of the Watertown School District to the national averages. These comparisons illustrated that the Watertown School District remains very strong at the Elementary level, fairly consistent at the Middle School level and made gains in four out of five academic areas at the High School level.

Dr. Hanson reminded the School Board that we are currently on School Improvement at the Jefferson Elementary School for Special Education Reading, at the Middle School for Special Education Reading and at the High School for Special Education Reading and Math. Dr. Hanson indicated that once a District is labeled School Improvement, it is such for a two-year period. Hanson indicated that the District has made proficiency status in the School Improvement areas. Dr. Hanson indicated that the Middle School Special Education Math is a category in which the District fell into Alert status. Overall, the District is pleased with the results.

Technology – Superintendent Dr. Mayer indicated that Year Two of the TIE Evaluation will be presented in greater detail at the September Board Meeting.

District Wide Strategic Planning – Superintendent Dr. Mayer indicated that ten years ago, the District did a Strategic Plan and that five years ago, a Bridge To The Future Plan was developed with the use of a consultant. During these planning processes, goals and action plans were developed for the District. It was the general consensus of the Board of Education that Dr. Mayer begin the process of completing a District Wide Strategic Plan by providing the Board with steps that need to be taken toward this process.

ACTION 06017

LATI DISCUSSION ITEMS

Deb Shephard, LATI Assistant Director, provided an enrollment report to the Board of Education which provided the current enrollments of the various course offerings at LATI. The report also indicated that the enrollment at LATI for the Fall Semester is at 1,100. Mrs. Shephard indicated that these enrollment numbers are up by approximately 10% with the retainage of first year students to the second year being higher as well. General discussion was held in reference to the enrollment requirements of the Lake Area Technical Institute. Dr. Mayer also informed the Board that one-half of the legislative allocated dollars has been released to the four Technical Schools by Governor Rounds.

K-12 DISCUSSION ITEMS

Open Meetings – States Attorney Vince Foley presented information related to the Open Meetings Law that relates to Public Boards. Mr. Foley indicated that he serves on a Commission that is now available to assist with various meeting situations. Mr. Foley stated that basically the Open Meeting Law is in place to ensure that Public Boards do the public's business in a public setting unless the issue/discussion is specifically excluded, such as personnel issues, student matters, legal advice and contract negotiations.

Lake Area Multi-District Board Report – Superintendent Dr. Mayer indicated that the Lake Area Multi-District Director, Julie LeVake, has offered to present at the School Board Meeting of Lake Area Multi-District Schools.

Academics – Dr. Lesli Hanson, Assistant Superintendent, presented the 2004-05 Assessment Results of various tests: Dakota Step, ACT 10, and Abacus. Dr. Hanson’s overview provided information as to how the Watertown School District Assessments compared to the other large schools within the State as well as providing assessment comparisons between the individual Elementary Schools. The assessment results indicated that the Watertown School District is doing very well at the Elementary level and at the Middle School level and that there is a slight concern in relation to the testing results at the Watertown High School. Dr. Hanson’s report also included an overview of the participation in the Advanced Placement Course Offerings at the High School and a comparison of the ACT scores.

Technology – Brian Field, High School Principal, presented the Learning With Laptops Plan of Action for Year Three. Mr. Field’s presentation included a brief review of the five goals. The Key Findings and Achievements, Recommendations and Plan of Actions for each goal were also reviewed. Two project evaluation questions were discussed as well.

Healthy Staff, Healthy Youth – Superintendent Dr. Mayer informed the Board of Education that the Watertown School District won the Governor’s Healthy School Award for 2005. A \$5,000.00 grant award came with the recognition. Dr. Mayer indicated that the Coordinated Health Committee will continue their work throughout the 2005-06 year.

Strategic Planning – Superintendent Dr. Mayer indicated that a facilitator has been selected and the process is currently anticipated to begin in early November.

McKinley School Project – Dave Todd of Todd Architects presented and discussed with the Board of Education the tentative schedule and general site plans. The site plans provided a comparison between a single-story structure vs. a two-story structure and the amount of property needed to accommodate the compared facilities. Mr. Todd indicated that the District will need to obtain a Variance from the City Planning Commission to allow construction within nine feet of the current property line.

ACTION 06048

Gary Williams, LATI Director, offered for the Board's review and action a revised organizational chart for Lake Area Technical Institute. The modifications to the organizational chart dealt mainly with title changes of various positions. Mr. Williams indicated that the proposed title changes align the titles to those more commonly used in a Post-Secondary setting. Mr. Fishman moved the approval of the organizational chart and title modifications as presented. Mrs. Jones seconded. General discussion was held in relation to the concern that LATI is moving towards more of a college atmosphere rather than a technical institute. Mr. Williams further explained that the proposed modifications are merely title changes and that the mission of Lake Area Technical Institute remains in tact. Following the general discussion, the vote was two votes yes with Linngren, Gough and Wilson voting no. Motion failed.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Mayer updated the Board of Education on the discussion held in relation to the reinstatement of the Ag Program as part of the curriculum offerings at the Lake Area Multi-District. Dr. Mayer indicated that it does not appear that the Lake Area Multi-District Board is interested in reinstating this program with the continued limited interest.

Foreign Language – Superintendent Dr. Mayer stated that the Advanced Placement Foreign Language course offerings at the Watertown High School have a limited number of students participating and therefore, placed this item on the Agenda for Board discussion. Dr. Lesli Hanson, Assistant Superintendent, shared the results of a recent survey taken by students who have participated in the Foreign Language course offerings at the Watertown High School. Dr. Hanson also explained the costs related to the various options available to students once they reach the college level.

Rich Thomas and Brenda Kolb, AP Foreign Language Instructors, further explained the CLEPC Option vs. the Advanced Placement Option that students have. The instructors also provided a

comparison between the curriculum of a Level IV Course and an Advanced Placement Foreign Language Course. General discussion was held in relation to the enrollment of the course offerings and the need for the District to remain efficient.

Middle Schools That Work – Dan Albertsen, Middle School Principal, thanked the Board of Education for allowing the District to participate in the Middle Schools That Work Program via a three-year grant. Diane Steiger, Middle Schools That Work Coordinator, provided the Board of Education with a detailed review of the program via the use of a PowerPoint presentation. Various aspects of the program were presented and discussed. Mr. Gough questioned the use of student led conferences during the parent/teacher time and also asked whether Mr. Albertsen felt that the Middle Schools That Work Program will assist with test scores in which Mr. Albertsen indicated with confidence that this program will assist with student test scores. Mr. Linngren indicated that he likes the focus this program has on assisting with the transition of students from Grades 8 to the 9th Grade level.

Technology – Brian Field, High School Principal, presented the Board of Education with information as it relates to onsite in-service opportunities related to Technology Integration that will be offered at the High School. Mr. Field stated that Leslie Carlson, a School Improvement Consultant, will be onsite to assist staff in focusing on 21st Century Learning Skills in the Classroom and to provide assistance in customizing curriculum to make it more content specific while using the laptops and technology.

McKinley School Project – Rick Hohn, Business Manger, informed the Board that a Variance for a fifteen foot (15') set-back on the North and East side of the McKinley School site has received approval from the Board of Adjustments. Mr. Hohn also indicated that Scott Engineering has been retained to complete the soils exploration on the site as soon as possible. A meeting with staff and interested parents has been set for October 18th at 4:00 p.m. at the McKinley Elementary School to further discuss this project and related concerns/ideas.

Self-Funded Insurance Report – Rick Hohn, Business Manager, provided the yearly report of the School District's Employee Benefit Trust – Self-Funded Group Health and Dental Insurance. Hohn indicated that the income exceeded the expense during the fiscal year by the amount of \$94,557.00; thus, bringing this fund's cash position on September 30, 2005 to the level of \$1,492,000.00. The report also provided a projection in relation to the 2004-05 year, taking into account the new monthly premium rates and the anticipated costs of claims, administrative fees and stop-loss insurance. A complete copy of this report can be viewed in the Office of the Business Manager.

Student Absences For Students Participating in Club Sports – Mr. Gough asked and discussed how the District records absences for students who participate in Club Sports compared to students participating in school recognized activities. It was indicated that students participating in Club Sports are recorded as excused absences and that students participating in school recognized activities are recorded as exempt absences. Superintendent Dr. Mayer indicated that the Administration will review this topic to determine whether this is a Board Policy or a procedural issue. Information on this topic will be provided to the Board of Education at its November meeting.

ACTION 06049

Mr. Gough moved the approval of the verified claims and salaries for the month of September as presented. Mr. Fishman seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Reading First Program – Steve Anderson, Mellette Elementary Principal, and David Eggen, Jefferson Elementary Principal, provided an overview of the federally funded Three-Year Reading Program via a PowerPoint presentation. The presentation outlined the three basic premises of the Reading First Program. The various interventions of the Reading First Program were also presented along with various assessment tools used to evaluate the progress of the

students and the success of the program. It was noted that this program is currently offered at Jefferson, Mellette and Lincoln Elementary Schools with the other two Elementary Schools, Roosevelt and McKinley, having other specialized programs along with Title I Funding.

Science Curriculum – Brian Field, High School Principal, provided an overview of the new South Dakota High School graduation requirements and the three pathways that are available for students: Standard, Advanced and Distinguished. Mr. Field indicated that in order for students to participate in the Standard Pathway, the parents of the student must sign-off on this selection. The course requirements for the three pathways were also presented and discussed. Field indicated that these new graduation requirements will be in place for the freshmen in the Fall of 2006. Dr. Lesli Hanson, Assistant Superintendent, and Brent Konvalin, High School Science Instructor, presented proposed standards and course modifications for the District's Science Curriculum. It was noted that the proposal added two additional course offerings: AP Chemistry (online) and AP Environmental Science. Dr. Hanson indicated that the added course offerings should not require additional staffing unless more students choose to participate in the Science Curriculum. Hanson indicated that the number of Science requirements does not increase with the proposed curriculum.

Mentoring Program – Dr. Lesli Hanson offered a proposal requesting that a Teacher Mentoring Program be funded with Title IIA dollars for the 2005-06 year at an estimated cost of \$1,800.00. The proposed Mentoring Program would focus on the four new/first year teachers in the Watertown School District. Hanson indicated that she may be bringing a permanent District Mentoring Program for the Board's consideration at a later date.

Technology – Brian Field, High School Principal, introduced the topic and shared various projects that integrate technology into the classroom. Kris O'Brien, High School English Instructor, shared with the Board how technology is used in the English Department. O'Brien indicated that technology has allowed students to obtain information in a timely manner via the use of various search engines, allowed students to analyze and synthesize the information and has allowed students to present the information in a professional manner.

McKinley School Report – Rick Hohn, Business Manager, presented the Board with a document which outlined the basic pros and cons of a one-story structure versus a two-story structure. Hohn indicated that a one-story structure is currently being focused upon. Dave Todd, Todd Architects, provided the Board of Education with preliminary drawings of the site and the proposed replacement structure. Todd indicated that the replacement structure is approximately 27,000 square feet. Todd outlined the various phases and related timelines associated with this project.

Strategic Planning – Superintendent Dr. Mayer provided a brief update on the District's Strategic Planning Session in which four goals/focus areas were highlighted: Cultural Diversity, Academic Achievement, Resources and Transition. Superintendent Mayer also explained the upcoming events related to the development of Action Plans related to the four focus areas. It is currently the intent to have the Action Plans presented to the Board of Education in the Spring of 2006.

Student Absences For Club Sport Athletes – Superintendent Dr. Mayer reported that it has currently been agreed upon that the reporting for absences for athletes participating in Club Sports will be the same as students participating in District sponsored activities as long as the Club Sport follows the basic rules and regulations of the District and that the Club Sport has been recognized by the Watertown Board of Education.

Mr. Fishman seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi District – Mr. Fishman indicated that the next meeting of the Lake Area Multi District Board is set for December 21, 2005.

Strategic Planning – Superintendent Dr. Mayer provided an update on the Strategic Planning Process. The four goal areas have been identified and Dr. Mayer reviewed a handout in relation to the specific goal areas and the mission statements of each individual goal area. The goal areas are: Transition, Academic Achievement, Resources and Cultural Diversity. The next step in the process is that individual groups will develop action plans for these specific goal areas and for Board consideration.

Test Results – Dr. Hanson, Assistant Superintendent, reviewed the District writing scores and indicated that the scores were very good and significantly above the state averages in most areas. Dr. Hanson’s report also provided a breakdown by individual schools within the Watertown School District. Dr. Hanson attributes some of the gain to what the District did to better prepare the students for the writing test. Brian Field, High School Principal, presented information related to the Freshman Sanford writing assessment scores for 2005 along with the Summary of College Transition Report, which provided information related to graduates entering South Dakota Regental Universities in the fall of 2004. Mr. Field commended the students and staff on the gains made on the writing assessment and the fine job the Watertown School District students are doing in a college setting. Mr. Fishman indicated that of the information provided, he was most excited about Watertown students having the highest University GPA as freshman when compared to all of the large schools in the state of South Dakota.

Technology – Superintendent Dr. Mayer commented that the governor’s budget currently incorporated a dollar allocation to assist schools with the cost of technology/laptops. Dr. Mayer

also discussed the number of school visitations the Watertown School District is currently experiencing due to the focus on the use of laptop computers.

Early Graduation Policy – First reading – Superintendent Dr. Mayer presented for its first reading, Policy IKF – Graduation Requirements/Early Graduation for the Board’s review. The proposed changes consist of two major areas: 1) Early graduates would not be able to participate in the graduation ceremony; 2) Eliminates the exemption language which allowed students to appeal their early graduation requests to the Board of Education. Mr. Fishman asked that the word “consecutive” be added to “B”.

Snow Days – Superintendent Dr. Mayer updated the Board on the current snow days taken and indicated that the school year and the High School semester will be extended two days as per the school calendar. Superintendent Dr. Mayer also reviewed the process that he uses in determining when and if schools should be called off or started late. General discussion was also held as to whether future school calendars could consider making up snow days by shortening various school vacations.

RESOLUTION

WHEREAS, Rapid City Area School District No. 51-4 (the "Rapid City School District"), Sioux Falls School District No. 49-5 (the "Sioux Falls School District"), Watertown School District 14-4 ("Watertown School District") and Mitchell School District No. 17-2 (the "Mitchell School District" and together with the Rapid City School District, Sioux Falls School District and Watertown School District, the "Participating Institutions") are authorized pursuant to Title 13, South Dakota Codified Laws to operate post-secondary vocational technical education institutes under the general supervision of the State Board of Education (the "Board"); and

WHEREAS, the South Dakota Health and Educational Facilities Authority (the "Authority") is authorized pursuant to Chapter 1-16A, South Dakota Codified Laws, to issue bonds to finance the acquisition and improvement of post-secondary vocational technical education facilities for use by the Participating Institutions and the Board; and

WHEREAS, Title 1-16A and Title 13, South Dakota Codified Laws, permits the Board to lease purchase post-secondary vocational technical education facilities from the Authority and permits the Board to sublease such facilities to the Participating Institutions; and

WHEREAS, the Authority has established a program (the "Program") whereby the Board may lease purchase post-secondary vocational technical education facilities from the Authority and sublease such facilities to the Participating Institutions; and

WHEREAS, the Authority and the Board have heretofore entered into a Lease Purchase Agreement dated as of August 1, 1988 as supplemented and amended from time to time, including, most recently, by that certain Tenth Supplement to Lease Purchase Agreement dated as of December 30, 2004 (collectively, as so supplemented and amended, the "Lease") pursuant to which the Board is leasing with an option to purchase certain facilities the acquisition of which was financed or refinanced with the proceeds derived from the issuance and sale by the Authority of its Vocational Education Program Revenue Bonds, issued pursuant to that certain Indenture of Trust dated as of August 1, 1988 (the "Original Indenture") between the Authority

and The First National Bank in Sioux Falls, as Trustee (the "Trustee") as amended and supplemented from time to time including, most recently, by that certain Eighth Supplemental Indenture of Trust dated as of December 30, 2004 between the Authority and the Trustee (collectively, as so amended and supplemented, the "Indenture"). All terms not defined herein shall have the meaning given thereto by the Indenture.

WHEREAS, pursuant to the Authority's Program in order to provide a credit against Lease Rentals owed by the Board under the Lease as heretofore amended and supplemented, all Participating Institutions have entered into a certain Fourth Supplement to Facility Fee Tuition Collection and Deposit Agreement (the "Fourth Supplement to Collection Agreement") with the Board, the South Dakota Treasurer (the "Treasurer") and The First National Bank in Sioux Falls, as Escrow Holder (the "Escrow Holder"); providing for the collection of Facility Fees on a current basis and the deposit of such Facility Fees to the Tuition Subaccount; and

WHEREAS, it is necessary for the Watertown School District and other parties to enter into a Fifth Supplement to Facility Fee Tuition Collection and Deposit Agreement (the "Fifth Supplement to Collection Agreement") to provide for an adjustment in the manner rates are established to determine Facility Fees so that commencing with the first semester of the 2006/2007 school year and thereafter, the Facility Fees for Lake Area Technical Institute, Mitchell Technical Institute, Southeast Technical Institute and Western Dakota Technical Institute shall be \$10.50 per credit hour for all full-time and part-time students; and

WHEREAS, it is reasonably expected that the proposed adjustment will result in an aggregate increase in the total Facility Fees to be collected in future years; and

WHEREAS, a substantially final draft of the Fifth Supplement to Collection Agreement has been placed on file with this Board as of the date of this meeting.

NOW THEREFORE, BE IT RESOLVED, by the School Board of the School District as follows:

THE PROGRAM

1.1 This School District Board hereby approves the adjustment in Facility Fees as set forth in the form of Fifth Supplement to Collection Agreement and authorizes the execution and delivery thereof by the President and the Business Manager of the District. The Fifth Supplement to Collection Agreement shall be executed in the name and on behalf of the School District by the President and the Business Manager, in substantially the form on file, but with all such changes therein, not inconsistent with law, as may be approved by the officer executing the same, which approval shall be conclusively evidenced by the execution thereof.

Mrs. Jones seconded. Five votes yes. Motions carried.

ACTION 06105

Gary Williams, LATI President, presented information in relation to the governance issue of the state Technical Schools and reviewed a resolution which outlines the Watertown School District's stance on the issue. Mrs. Wilson moved the approval of the proposed governance resolution.

RESOLUTION

BE IT RESOLVED that Lake Area Technical Institute (LATI) be governed by the Watertown Board of Education in the manner currently employed. The Watertown Board of Education shall continue to have the sole responsibility for the financial and management control of LATI.

BE IT FURTHER RESOLVED that the Watertown Board of Education is solely responsible for hiring and evaluating faculty and staff.

The governance of LATI has been by the Watertown Board of Education since the founding of the institute. LATI has seen vast increases in number of students, programs, and facilities. There is no need to change the governing structure of Lake Area Technical Institute.

Mr. Ford seconded. General discussion was held in relation to the resolution. Following the general discretion five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi District – Chairman Linngren commented in relation to the Industrial Technology Program at the Middle School where both instructors have offered their retirement and the possible expansion of this type of program at the Lake Area Multi District.

Acedemics – Dr. Lesli Hanson, Assistant Superintendent, presented and discussed a proposed program which would allow a Masters Degree Program in the area of Education Technology through Dakota State University. Dr. Hanson went on to indicate that the funding for the Masters Degrees would be broken down as follows: one-third from the Every Teacher Grant, one-third from the Title IIA Grant and one-third would be the responsibility of the individual participating in the program. Dr. Hanson also indicated that due to the significant amount of grant funding, participants would need to commit to a minimum of three years continued employment with the Watertown School District upon their completion of their Masters Degree. The Board of Education concurred with this request and asked Dr. Hanson to continue her pursuit.

Technology – Renae Mack, Chairman of the Fine Arts Department introduced the various instructors and programs in the Fine Arts Department. A power point presentation was provided by the Fine Arts Department which outlined various uses of technology in the Fine Arts area. Mrs. Mack did indicate that the majority of the time of students in the Fine Arts area is used for hands on activities: playing music, development of art, etc.

Strategic Planning Process – Superintendent Dr. Mayer provided a brief update on the activities of two Strategic Planning Committees: Social Issues and Transition.

Preliminary Budget Projections – Rick Hohn, Business Manager, provided the Board of Education with a brief overview of the very preliminary budget projections for the 2006-07 year. The overview provided estimates related to Local Property Taxes, Enrollment and State Aid Support. The projections offered by Hohn did indicate a slight decline in the fund balance of the District's General Fund.

K-12 DISCUSSION ITEMS

McKinley Project Report – Rick Hohn, Business Manager, provided the Board of Education with a brief update related to the McKinley Project. Hohn indicated that a progress meeting was held on June 5, 2006 and the next progress meeting is scheduled for June 20, 2006. It was reported that the excavation work and tree removal have begun and that the piping, sprinklers and electrical work have begun in the interior portion of the building. Hohn also reported that the house located on the newly acquired property located east of the site is scheduled to be moved in early July. Hohn indicated that he would be obtaining various proposals for the funding of this project and those proposals with a recommendation would be presented at the July meeting.

Policy KG – Community use of School Facilities & Policy KIA – Political Candidates Policy – Superintendent Dr. Mayer led the discussion in relation to these policies and the current concern related to political candidates using school facilities for political activities. Dr. Mayer indicated that the District does provide equal access to their facilities and that political organizations are required to pay the standard rental fee. It was indicated that when political candidates use school facilities it gives the appearance that the School District endorses such candidates even though the Board of Education has a Board Policy in the contrary. Following the general discussion it was indicated that the Board desired a review of these two policies by legal counsel.

ACTION 06184

Rick Hohn, Business Manager, presented and discussed the proposed amendment to the District’s Flexible Benefit Plan which would allow additional flexibility as to when expenses can occur and still be reimbursed. The new Federal regulation is referred to as “Claims Extension Period” which allows the claim period to end on the 15th day of the third month immediately following the end of the most recent plan year. Mrs. Wilson moved the approval of the resolution authorizing the plan amendment.

RESOLUTION

Be it resolved, by WATERTOWN SCHOOL DISTRICT NO. 14-4, that a Plan known as the Watertown School District No. 14-4 Flexible Benefit Plan is hereby adopted and a copy of said Plan is attached. The Plan, as amended and restated July 1, 2006, will be provided to certain employees and allows for employees’ portion of the contribution for medical and group term life coverages to be made on a pretax basis.

Be it further resolved, this Plan establishes Medical Care and Dependent Care Reimbursement

Plans. An eligible employee may reduce his/her salary for reimbursement of eligible medical care and dependent care expenses under these Plans.

Authorization is hereby granted for an officer of the Company to execute this Plan on behalf of the Company.

Mr. Ford seconded. Five votes yes. Motion carried.

ACTION 06185

Mr. Fishman moved the approval of the three open enrollment applications as presented. Mrs. Jones seconded. Five votes yes. Motion carried.

ACTION 06186

Mrs. Jones moved the approval of the two home school applications as presented. Mrs. Wilson seconded. Five votes yes. Motion carried.

Mrs. Marly Wilson seconded. Five votes yes. Motion carried.

ACTION 06206

Superintendent Dr. Mayer reviewed the Alliance of School Districts and Cities as formed by the South Dakota High School Activities Association for those schools and cities hosting State athletic events. Superintendent Dr. Mayer indicated that Rapid City and Sioux Falls have not yet joined the Alliance due to the fact they do not own the facilities being used. Superintendent Dr. Mayer indicated that he has met with representatives from the South Dakota High School Activities Association and the Mayor of Watertown and it appears that the cost of such Alliance would be shared by the School District and City annually. General discussion was held in relation to various concerns and whether the Chamber of Commerce should participate and whether the City's commitment has been approved by the City Council. Mrs. Jones moved that this item be tabled until the Watertown City Council has had a chance to review the details of the Alliance. Mr. Fishman seconded. Five votes yes. Motion carried.

ACTION 06207

Mrs. Marly Wilson moved that the Watertown School District cast its vote for Christena Schultz as a Division III Representative on the Board of Controls of the South Dakota High School Activities Association. Mr. Fishman seconded. Five votes yes. Motion carried.

ACTION 06208

Rick Hohn, Business Manager, reviewed the details of the Master Lease / Purchase Agreement related to the new laptop equipment from the LEAF Financial Corporation. Following Hohn's review, Mrs. Jones moved the approval of the Master Lease / Purchase Agreement as presented with the LEAF Financial Corporation. Mr. Fishman seconded. Five votes yes. Motion carried. (A complete copy of this Lease / Purchase Agreement may be viewed in the office of the Business Manager)

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report– Chairman Brad Fishman reminded those in attendance that the next regular meeting of the Lake Area Multi District will be Wednesday, September 20, 2006 at 7:00 p.m.

McKinley Project Report – Darrell Stacey, McKinley Elementary School Principal, provided the Board of Education with an update in relation to the emergency exits that are all in place as well as the results of the two fire drills recently held. Mr. Stacey went on to report that the block walls and the entries are secured and there is a gate to the playground for emergency purposes. Mr. Stacey also reported that the footings on the north side of the new structure are currently being constructed.

Assessment, Literacy and Mentoring Report – Dr. Lesli Hanson, Assistant Superintendent, provided information and testing results related to the following District Assessments: Abacus, SAT 10, Dakota Step and ACT. Dr. Hanson's information provided comparisons of the scores for individual schools within the District, how our assessment scores compared to other large schools within the state and how the various subgroups compare in relation to their assessments.

Additional information was provided as a comparison to the current assessment scores and those of the good old years. The information provided reflected strong scores at the Elementary and Middle School level with the scores at the High School being somewhat concerning with the exception of the ACT scores. Dr. Hanson explained the adequate yearly progress as required by the Federal Legislation titled No Child Left Behind. Goals for improvement at the various levels were also discussed. Dr. Hanson went on to provide a general overview of the Literacy and Mentoring Program. Our District training continues to focus on three areas: Girls and Boys Town Training, Literacy and Technology. The New Teacher Academy this summer began the pursuit to train in these three areas. Dr. Hanson indicated that it is the belief of the District that this mentoring program benefits our staff and more importantly District students with the cost being moderate. (Additional information in relation to the District Assessment, Literacy and Mentoring Program can be obtained by contacting the office of the Assistant Superintendent.)

Policy GBCC – Confidentiality Policy – Superintendent Dr. Mayer offered Policy GBCC for its first reading and explained the basic contents and purpose of this policy. General discussion was held in reference to the consequences if a School District employee would violate this policy. Superintendent Dr. Mayer indicated that State Statute covers contract termination of employees in relation to School District policies.

LATI - DISCUSSION ITEMS

Superintendent Dr. Mayer provided an overview of the recent discussions related to the current and future governance of Lake Area Technical Institute. Superintendent Mayer indicated that the District has not been given any real reason for the desired need for the proposed change in governance. Some of the possible reasons stated were: advocacy, the current governance is out of dated and local School Boards do not provide funding for post secondary education. It was indicated that a change in governance would have to come through the legislative process. Superintendent Mayer indicated that additional meetings are scheduled in the near future and that the November 1st deadline is going to be very difficult to meet. General discussion was held with the Board of Education restating their opposition to the change in governance.

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Mayer indicated that the Lake Area Multi District open house has been set for December 4, 2006 and that Dr. Rick Melmer, Secretary of Education, is scheduled to address the group in relation to the outcome of the State Aid Task Force.

McKinley Project – Rick Hohn, Business Manager, provided the Board of Education with a brief update in relation to the construction of the McKinley Elementary School. Hohn indicated that the building is beginning to take shape with block walls being established. It was indicated that sheltering is anticipated when the brick work is completed. The roof deck is in place on the Mechanical Room with the boilers on site and ready for installation.

Strategic Plan – Superintendent Dr. Mayer provided brief comments related to the process and the four areas of focus in relation to the recent Strategic Plan. Dr. Mayer indicated that the process involved approximately eighty individuals from the community and that the Strategic Plan will be discussed in detail at a future Board Retreat. Dr. Fred Deutsch asked that the document be available for public viewing in the future.

Self Funded Insurance Report – Rick Hohn, Business Manager, provided the Board of Education with a financial overview of the School District's Self Funded Insurance for the plan year of October 1, 2005 through September 30, 2006. The overview indicated that the Employee Benefit Trust had a net increase in reserves in the amount of \$132,972.00 during the previous year. Hohn indicated that the cash position of the trust has grown over the years due to the favorable claims to premium ratio. The Employee Benefit Trust serves approximately six hundred participants. (Additional information related to the Watertown Employee Benefit Trust – Self Funded Insurance Program can be obtained by contacting the Business Office.)

Policy GBRAC – JGCC – Communicable Disease – Superintendent Dr. Mayer presented for the Board’s first reading the Communicable Disease Policy and noted the suggested modifications. (A complete copy of this policy and its modifications can be viewed in the office of the Superintendent.)

ACTION 07064

Mrs. Patty Wilson moved the approval of the Title I, Part A Program Comparability Assurances as listed below:

1. This school district has established a district-wide salary schedule. This salary schedule is implemented without regard to Title I, Part A staffing in eligible schools.
2. It is the policy of this school district that employment of teachers, administrators and other staff from state and local funds shall be equivalent among schools without regard to Title I, Part A staff employed in eligible schools. For the purpose of this policy, equivalence shall mean that when teachers, administrators and other staff are assigned to schools; staff/student ratios shall be determined in order that services with state and local funds in schools receiving Title I, Part A services are at least comparable to services provided among schools in the district which are not receiving Title I, Part A funds.

3. It is the policy of this district that provisions for curriculum materials and instructional supplies shall be equivalent among schools without regard for Title I, Part A funds.

Mrs. Marly Wilson seconded. Five votes yes. Motion carried.

Hohn indicated that the fascia brick is being installed along with the framing of the window openings. All floors have been poured and the final entry is being enclosed by block. It was also indicated that all emergency exits and pathways remain clear.

Strategic Plan – Academics - Superintendent Dr. Mayer indicated that he had asked Brian Field, High School Principal to report on the recent High School's That Work review and the Watertown High School Improvement Plan for 2006 through 2008. Brian Field, High School Principal, indicated that the Watertown High School has received approximately \$22,500.00 over the past two years in relation to the High School's That Work Program. A recent review by a ten member observation team collected data from various groups and provided an exit report which identified five promising practices and six challenges. Mr. Field provided a brief overview of each. It was indicated that a detailed report is scheduled for January. Mr. Field also outlined

various points of the School Improvement Plan for 2006 through 2008 for the Watertown School High School. Administration is asking that the Board approve this plan later on in the meeting. It was indicated that the plan can and will be amended throughout the two years to better fit the needs of the High School.

Strategic Plan – Resources – Superintendent Dr. Mayer indicated that the District’s Technology Plan and the Strategic Plan are now on the District’s website.

Competitive Dance and Cheerleading – Doug Schooley, Athletic Director, provided an overview on the process related to the South Dakota High School Activities Association’s decision to add Competitive Dance and Competitive Cheerleading. Mr. Schooley reviewed Federal Title IX Regulations which call for equal participation in co-curricular activities for female and male students. Mr. Schooley then went on to review the proposals as submitted for Competitive Dance and Competitive Cheerleading. It was indicated that if/when the SDHSAA approves the proposals, additional information and an authorization request will be presented to the Watertown Board of Education.

Brad Fishman, Chairman, congratulated Mr. Schooley on a very well run State Tournament. Mr. Fishman indicated that he received several positive comments throughout the three day event.

High School Curriculum – Dr. Lesli Hanson, Assistant Superintendent, reviewed the High School Curriculum alterations for the 2007-08 year in the areas of Social Studies, Technology and Dual Credit Options with LATI.

K-12 DISCUSSION ITEMS

McKinley Project – Rick Hohn, Business Manager, provided the Board of Education with a brief update in relation to the McKinley Elementary School Project. The update indicated that the interior painting is near completion and the cabinet installation is now in process. The lockers are being prepared for installation and the ceiling contractors are scheduled to begin on February 19th. Hohn also explained that the computer cables and drops did not receive favorable funding from ERATE. Therefore, the cost of supplies and installation will be contracted separately. It was also indicated that the heating system is nearing the point of operational and that it will be energized as soon as possible to assist with humidity and ventilation with the understanding that the general contractor will replace all filters prior to District occupancy.

2007-08 Preliminary Budget Information – Rick Hohn, Business Manager, presented the Board of Education with preliminary budget information as it relates to estimated tax consequences, enrollment projections, state aid estimates and the future fund balances. Hohn reiterated that these numbers need to be considered very preliminary at this point due to the fact that nothing has been finalized by the legislators at this time.

District Breakfast Program – Superintendent Dr. Mayer provided the Board of Education with statistics associated with the number of students participating in the Breakfast Program. The

participation levels are somewhat lower than desired but it was indicated that the programs at Lincoln and Jefferson are relatively new at this point. David Eggen, Jefferson Elementary School Principal, and Susan Patrick, Lincoln Elementary School Principal, indicated their satisfaction with the program and thanked the Board of Education for expanding breakfast to their sites.

Strategic Plan – Dr. Lesli Hanson, Assistant Superintendent, provided a power point presentation related to the activities associated with the various areas focused upon by the District’s Strategic Plan. Each area, resources, academics, social issues and transitions were highlighted by a listing of current activities related to the specific direction of the plan. General discussion was held in relation to the Freshman Academy and the improvement in the number of freshman students having difficulties in the areas of attendance, disciplinary infractions and academics.

K-12 DISCUSSION ITEMS

McKinley Project – Rick Hohn, Business Manager, provided the Board of Education with an update in relation to the construction of the McKinley Elementary School. Hohn indicated that the sidewalks are currently being constructed and that the asbestos abatement is currently scheduled for the original building in early June. Hohn went on to indicate that a walk through of phase one will be scheduled in the near future and that following the walk through and the completion of any punch list items, the move from the original building to the new classrooms will begin.

2007-08 Preliminary Budget – Rick Hohn, Business Manager, presented the Board of Education with a copy of the 2007-08 Preliminary Budget. A budget summary was reviewed along with information that provided a comparison between the proposed budget to the budget approved for the past year. (A complete copy of the 2007-08 Preliminary Budget can be viewed in the office of the Business Manager.)

Literacy – Dr. Lesli Hanson, Assistant Superintendent, provided a brief overview of the K-12 Literacy Program and introduced various staff members who have dealt directly with the Literacy Program. Hanson went on to indicate that Literacy deals with reading, writing, speaking and listening and also went on to explain the six stages of reading. Via the use of a power point presentation, the Literacy Teams from the Elementary Schools, Middle School and High School provided the Board of Education with in-depth information related to the Literacy Program at the various instructional levels. The Board of Education expressed their gratitude for the presentation and the hard work and commitment of the team members.

Policy IKA – Dr. Lesli Hanson, Assistant Superintendent, presented for its first reading Policy IKA and discussed the modifications with the Board of Education. (A complete copy of Policy IKA can be viewed in the office of the Superintendent.)

Policy GDA – Dr. Lesli Hanson, Assistant Superintendent, presented Policy GDA – Job Sharing for its first reading and discussion with the Board of Education. (A complete copy of Policy GDA can be viewed in the office of the Superintendent.)

K-12 DISCUSSION ITEMS

McKinley Project – Rick Hohn, Business Manager, provided the Board of Education with an update in relation to the construction of the McKinley Elementary School. Hohn indicated that a complete walk through was held on May 18, 2007 in relation to Phase I of the project. Hohn indicated that several minor items were noted, but did express a slight concern in relation to the appearance of the block work. The report also indicated that the asbestos has been removed from the old building and the demolition of the original structure is scheduled to begin this week.

2007-08 Preliminary Budget – Rick Hohn, Business Manager, indicated that only one item in relation to the 2007-08 Budget was presented by most Board Members as a concern and that item being the \$5,000.00 provided to the Destination Imagination for its travel to the Global Competition. With that being the only item, it will be discussed at the Budget Hearing scheduled for 6:00 p.m., July 9, 2007.

School Resource Officer Program – Dr. Lesli Hanson, Assistant Superintendent, indicated that the Watertown School District has enjoyed a great relationship with the Watertown Police Department. The School Resource Officer Program provides two officers within our schools. These officers are very well respected by the students and staff. Dr. Lesli Hanson went on to introduce Chief Jo Vitek and Officer Burt Seifel. Officer Seifel expressed his gratitude for the support he has received from the students and the District throughout this past year while serving as one of the School Resource Officers. Officer Seifel also explained the various activities that occur daily within this program. Various summer activities that are going to be provided were also discussed. Chief Vitek explained the potential of Teen Court Activities that are being explored. Chief Vitek indicated that both the Watertown Police Department and the Watertown School District have one common goal and that being the well being of children.

ACTION 08052

Deb Shephard, LATI President, presented requests for the authority to hire an additional Welding Instructor and an additional Educare Worker. Shephard indicated that the Welding Instructor would be tied to a Business and Industry Training Contract and that the Educare Worker relates to a Community Foundation Grant. Dr. Fred Deutsch moved the approval of the authority to hire both positions as presented. Mrs. Patty Wilson seconded. Following general discussion, five votes yes. Motion carried.

ACTION 08053

Rick Hohn, Business Manager, presented for the Board's consideration a resolution that would authorize the South Dakota Health and Educational Facilities Authority to refund approximately \$8,250,000.00 of outstanding debt. Hohn indicated that a portion of this debt is related to the facilities on the LATI campus and therefore School Board authority is needed. Hohn went on to explain that the refunding would generate approximately \$500,000.00 in interest savings and that the average interest rate of the refunded bonds would be approximately 4.237%. Mr. Mark Kludt moved that the South Dakota Health and Educational Facilities Authority be authorized to refund the outstanding debt as proposed. Mrs. Patty Wilson seconded. Five votes yes. Motion carried. (A complete copy of this resolution can be reviewed in the office of the Business Manager.)

K-12 DISCUSSION ITEMS

Marketing Plan – Superintendent Dr. Lesli Hanson indicated that Hugh Bartels, Representing the Quarterback Club, offered the assistance of the Quarterback Club in the District's pursuit of score boards and improvements in the Arena and at the Watertown Stadium. Dr. Hanson went on to indicate that currently a One-shot Marketing Plan is being considered and that a Wall of Honor for community/business supporters would be created. The One-shot Marketing Plan would keep the advertising to a minimum. Dr. Hanson indicated that a committee would return to the November School Board Meeting with a plan to be considered by the School Board prior to continued pursuit. It was noted that the One-shot Marketing Plan would eliminate the generation of future funds for the District's General Fund as was proposed in the earlier marketing plan presented by Daktronics.

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Hanson highlighted two items from the last meeting of the Lake Area Multi-District Board: Strategic Planning Retreat and Enrollment Figures. Dr. Hanson also indicated that the Watertown School District is currently not filling all of its allowable slots.

McKinley Project Report – Don Stormo, District Maintenance Supervisor, provided an update related to the continued block work of the McKinley School. Mr. Stormo indicated that the block layers project completion by early November. Following the completion of the block work, the general contractor has indicated that roof joists will be set in place as soon as possible to allow for structure enclosure. Mr. Stormo also indicated that the heating system is currently being tested and is nearly ready to be used.

Advanced Placement Course Work – Steve Moore, Assistant Superintendent and Mike Butts, High School Principal, provided information as it relates to the advanced placement (AP) courses and the related examinations via a power point presentation. The report indicated that there are currently

eleven advanced placement course offerings at the Watertown High School and that 116 students participate in these course offerings. The report also provided information related to the number of students who take the advanced placement tests at the end of the related course. Mr. Butts indicated that he has been very impressed with the number of advanced placement courses offered by the District and the number of students participating. Mr. Butts also indicated that the AP Biology has received special recognition for its success.

Strategic Plan – Superintendent Dr. Lesli Hanson provided an overview of the Strategic Plan and provided information related to the progress in each of the action plan areas: Academic Achievement, Resources, Transitions and Social Issues. Dr. Hanson indicated that periodic updates would be provided in the future.

Self Funded Insurance – Rick Hohn, Business Manager, provided the School Board with a financial overview of the School District's Self Funded Insurance for the plan year of October 1, 2006 through September 30, 2007. The overview indicated that the Employee Benefit Trust had an increase in reserves in the amount of \$288,361.00 during the plan year. Hohn indicated that the cash position of the Trust has grown over the years due to the favorable claims to premium ratio. The Employee Benefit Trust serves approximately 630 participants. (Additional information related to the Watertown Employee Benefit Trust – Self Funded Insurance Program can be obtained by contacting the Business Office.)

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading the following policies: BA – School Board Goals and Objectives; BAB – School Board Authority; CCB – Line and Staff Relations and KL – Citizen Concerns. Superintendent Hanson also reviewed the process that will be used during the policy review. It was also noted that the District has incorporated in its website a place for public input related to the policies being reviewed.

The following members were in attendance: Susan Jones, Chairman, Patty Wilson, David Linngren and Mark Kludt. Also in attendance were staff, administration and representatives of the news media.

Chairman Jones convened the Board for its special meeting by leading the Pledge to the Flag.

AGENDA REVIEW/APPROVAL

Mr. Mark Kludt moved that the agenda be approved as presented. Mrs. Patty Wilson seconded. Four votes yes. Motion carried.

DISCUSSION ITEMS

Advisory Board – Superintendent Dr. Lesli Hanson and Deb Shephard, LATI President, provided a brief update in relation to a meeting with Governor Rounds in which he shared his thoughts in relation to Technical School Advisory Board's. President Shephard indicated that it is a State and Federal mandate to have Advisory Board's related to the curriculum of the various course offerings. A list of the members of the many Advisory Board's was presented for Board review. President Shephard went on to explain the activities of these board's. The Regional Advisory Board concept was discussed and it was indicated that the purpose would be to have additional political representation of the Technical Schools and to have additional buy in from the communities and State. The Board of Education discussed the possibility of the development of a Regional Advisory Board. The difference between operational advice and strategic advice was discussed in general.

The School Board directed the LATI administration to provide the next level of detail in relation to the development and purpose of a Regional Advisory Board to be considered at a future meeting.

Program Development – Deb Shephard, LATI President, provided information in reference to how a program is started at the Technical Schools, particularly LATI. General discussion was held in relation to the addition of the newest programs and the items considered prior to the courses being offered. Shephard also reviewed the courses needed as support to the various programs, such as general course offerings.

Articulation agreements between LATI and the Board of Regents were provided by the use of a computer website. General discussion was also held in relation to program titles.

The cooperation between LATI and the Lake Area Multi District was reviewed. It was indicated that LATI and its administration realized the benefit of the agreement between the two entities and indicated their desire to continue the providing of classroom space for Lake Area Multi District students.

Tour – Deb Shephard, LATI President, led a tour through the LATI campus classrooms.

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson indicated that the strategic plan of the Lake Area Multi District is currently being focused upon by the Multi District Board via a committee in which Mrs. Patty Wilson and she serve. The strategic planning process will focus on the current and future course offerings. Dr. Hanson reminded the Board Members that the next regular meeting of the Lake Area Multi District Board is scheduled for 12:00 noon on November 13, 2007.

McKinley Project Report – Dave Todd, Todd Architects, reported on the progress of the McKinley School Project by indicating that the masonry work is scheduled to be completed by the first week in December. As the masonry work progresses, roof joists will be set in place. Mr. Todd reported that the current phase is approximately two weeks ahead of schedule and that the entire project is approximately 80% complete.

Indoor Air Quality Report – Superintendent Dr. Lesli Hanson provided some background in relation to the establishment of the District's Indoor Air Quality Committee and their efforts. Steve Moore, Assistant Superintendent, Kayla Mohling, District Nurse, and Don Stormo, Maintenance Supervisor, provided information related to the indoor air quality via the use of a power point presentation. Mr. Moore indicated that all individuals involved have worked very hard to make improvements and recommendations related to air quality. Kayla Mohling explained the importance of having good indoor air and reviewed the various CO2 meter readings. Her report indicated a few readings at a level higher than the desired level. Don Stormo provided an overview of the walkthroughs of the various buildings and reported on the findings. Mr. Stormo also reported on what action has occurred as a result of the meter readings and the walkthroughs. General discussion was held in relation to the indoor air quality and the status of our facilities.

High School Transition Report – Mr. Michael Butts, High School Principal, provided a report related to High School transition which indicated that the Watertown High School graduates are

being very successful as freshman. The report dealt with the graduates of 2006. The report illustrated that the Watertown graduates do very well in comparison to other students and the report also demonstrated how many of our graduates choose each State College. General discussion was held in relation to thoughts and activities that the District could support to further improve these results.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading the following policies: BBB – School Board Elections; BDD – Policy Dissemination; BI – Nondiscrimination/Accessibility; GBB – General Qualifications; GBBA – Certification and AC – Nondiscrimination. Superintendent Hanson indicated that the policies would be incorporated into the District’s website at a location that would allow Public input during the policy review process.

ACTION 08130

Michael Cartney, LATI Vice President, shared with the Board the process used by the Architectural Selection Committee in developing their recommendation of Todd Architects as the architectural firm in relation to the design of Phase I. Rick Hohn, Business Manager, indicated that the fee proposal of Todd Architects was a range between 5.3% and 5.8% of the construction costs. The range is due to the fact that the engineering partners have not been determined at this time and their fees vary. Mr. David Linngren moved that Todd Architects be approved as the architectural firm in relation to LATI's Phase I with the fees being between the range of 5.3% and 5.8%. Mr. Mark Kludt seconded. Five votes yes. Motion carried.

ACTION 08131

Rick Hohn, Business Manager, provided an overview in relation to the real estate purchase agreement in which the District is attempting to acquire approximately 6.9 acres of property known as the former cement plant property currently owned by GCC Dacotah, Inc. located directly south of the campus of Lake Area Technical Institute. Hohn went on to express that the attorneys for both parties are currently working on acceptable language in relation to any potential environmental issues. Mr. Linngren moved that the Watertown School District purchase 1.9 acres of GCC Dacotah property for the amount of \$513,820.00 and additionally, the District to pay GCC Dacotah \$300,000.00 towards the cost of removing the seller's storage tanks and the loading/unloading equipment currently located on the property with the entire purchase and reimbursement contingent upon GCC Dacotah donating the remaining five acres to the District. Mr. Mark Kludt seconded. Five votes yes. Motion carried. (A complete copy of the real estate purchase agreement can be viewed in the office of the Business Manager.)

ACTION 08132

Michael Cartney, LATI Vice President, indicated that it is currently the intent of the Lake Area Technical Institute's Foundation to enter into a consulting contract with the Clements Group, L.C. in relation to performing a feasibility study that will assist in determining the potential success of a Capital Campaign. Mr. Mark Kludt moved that the Watertown School Board support the efforts of the LATI Foundation and its contracting with the Clements Group in relation to the performance of a facility study. Mr. David Linngren seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

McKinley Project Report – Rick Hohn, Business Manager, reported that all floors have been poured and with the exception of the installation of one set of windows, the entire building is enclosed. Hohn went on to report that the gymnasium should be ready for paint in the next couple weeks and that the basketball back boards will be removed from the existing gymnasium to be installed in the new gym. Hohn also reported that the heating of the entire building is currently being accommodated with the new HVAC system.

403(b) Tax Sheltered Annuities – Rick Hohn, Business Manager, provided the School Board with information related to new Federal regulations in the area of 403(b) administration, which include the need for the District to establish and maintain a written plan document by January 1, 2009. It was indicated that the new regulations will place more responsibility on the School District in relation to the accounting, reporting and administering 403(b) Tax Sheltered Annuities. Hohn indicated that he is currently researching the possibility of having a company act as the District's third party administrator in this area of compliance and that additional information will be provided when available.

Hiring Procedures – Steve Moore, Assistant Superintendent, reviewed the hiring procedures for certified and classified employees by the use of a power point presentation. The presentation consisted of information in the areas of: steps related to the selection of certified staff, items/documents that are required for certified employment, steps related to the selection of classified staff, items/documents that are required of classified employment and the information found in the exit surveys.

The report provided information in the areas of: failing grades, honor roll, awesome arrow awards, Freshmen Academy, drop out data, credit recovery and the LATI Academy. General discussion was held in the areas of advanced placement courses, 21st Century High School's, Lake Area Multi District, credit recovery and how a student becomes eligible to participate, Dakota Step Testing, SAP Coordinators and parent advisory.

Preschool Report – Superintendent Dr. Lesli Hanson and Sandie Jungers, Special Education Director, offered information in relation to the value of preschool education. The information focused on various comparisons and research that support preschool education. Information was also presented in relation to preschool attendance and the number of children qualifying for free/reduced price meal benefits at grades K-2 of McKinley Elementary School in relation to who did and did not attend preschool. The proposed program would accommodate approximately 35 students at McKinley with the understanding that the students being allowed to participate would not have to be within the McKinley attendance boundaries. This program would be in cooperation with the local Head Start Program and area preschools. Currently, it is anticipated that the cost of this program would be accommodated in majority by Federal Title I dollars with financial assistance from the Special Education Fund, Capital Outlay Fund and General Fund. General discussion was held in the areas of cost, results and the potential longevity study.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading the following policies: FFA – Memorials; FEE – Site Acquisition Procedure; FB – Facilities Planning and EEACC – Student Conduct on School Buses. The goals of technology, levels of professional development, staff survey related to technology abilities and the technology abilities of our students was discussed. A video presentation prepared by the Integrationist, which illustrated the various uses of technology in instruction was also viewed.

High School Graduation – Michael Butts, High School Principal, presented thoughts and modifications to the upcoming graduation ceremony. The modifications included: diplomas will be in the sleeves presented to students on the stage, air horns and other distractions are not to be used during the graduation ceremony but will be allowed during the celebration at the end of the graduation ceremony, K-12 staff members will be invited and encouraged to attend the graduation

exercise and there will not be a recession. The School Board concurred with these modifications.

7-12 Alternative Education – Michael Butts, High School Principal, provided an overview in relation to the establishment of an alternative education program at the High School due to the elimination of the NOVA and ECLIPSE programs. Mr. Butts presentation outlined why the alternative education program is needed, who will be participating, what will be used to meet the needs of students, where the program will be located and when the program will begin. Dan Albertsen, Middle School Principal, and members of the newly established Blizzard Team presented information as to how the Middle School was going to establish and operate instructional programs to assist students that may not learn in the traditional setting.

Preschool – Gregg DeSpiegler, Darrell Stacey and Sandie Jungers provided information in relation to the establishment of a Title I Preschool at McKinley Elementary for the purpose of creating opportunities for four year old children. The presentation provided information in relation to the focus of the program and the curriculum to be used. The possibility of providing scholarships for students to attend private preschools was also discussed.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading the following policies: BBBA – Duties of Board Members, ABB – School Board Powers and Duties, BBBB – New Member Orientation, BBBE – Compensation, BBC – Board Member Resignation/Removal from Office and FFA – Memorials.

Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

ACTION 08196

Steve Moore, Assistant Superintendent, presented a request for the authority to hire a Teacher Assistant to provide Title I services to the students who qualify for services at Holy Rosary School in Kranzburg. Moore went on to explain that in previous years we contracted these instructional services from the Waverly School District but that Title I regulations indicate that the District must pay the employee directly. Mrs. Patty Wilson moved the approval of the authority to hire the requested Teacher Assistant. Dr. Fred Deutsch seconded. Five votes yes. Motion carried.

ACTION 08197

Mr. David Linngren moved the approval of extending the current charter bus service contract with Foreman Charters under the same terms and conditions as the 2007-08 contract; \$2.25 per mile plus a \$.01 per mile increase/decrease if the price of fuel increases or decreases by \$.05 per gallon. Mr. Mark Kludt seconded. Five votes yes. Motion carried.

ACTION 08198

Rick Hohn, Business Manager, presented for the Board's consideration a change related to the video message center to be installed in the Civic Arena. It was noted that the fund raising activities related to the scoreboard/message center projects have been very successful. Mr. Mark Kludt moved the approval of the change order to upgrade the message center in the Civic Arena to the Sport Star Live Video Display at an increase in cost of \$19,215.00. Mr. David Linngren seconded. Five votes yes. Motion carried.

ACTION 08199

Rick Hohn, Business Manager, presented for Board consideration change order #3 as it relates to the McKinley Elementary School project. Hohn went on to explain that the change order consists of seven different items for a total change in the cost of the project of \$31,575.00. Mr. David Linngren moved that change order #3 be approved as presented. Mr. Mark Kludt seconded. Five votes yes. Motion carried.

Mr. Mark Kludt seconded. Five votes yes. Motion carried.

ACTION 08202

Mr. Mark Kludt moved that the interest earned in the various operating funds remain in the specific fund with the exception of the interest earned in the Special Education Fund and the Trust and Agency Fund to be transferred to the General Fund for the 2007-08 year. Dr. Fred Deutsch seconded. Five votes yes. Motion carried.

ACTION 08203

Rick Hohn, Business Manager, explained the process used in the selection of a third party administrator to assist with the development of a Plan Document and administering the terms and conditions of that document and the regulations associated with the District offering 403(b) tax sheltered opportunities. Mrs. Patty Wilson moved that the Watertown School District work with Plan Services – Ed Young in relation to its compliance with the new 403(b) regulations. Dr. Fred Deutsch seconded. Five votes yes. Motion carried.

ACTION 08204

Mr. David Linngren moved approval of the following resolution authorizing the Business Manager to act on the District’s behalf related to 403(b) regulations and compliance.

WHEREAS, the Watertown School District allows employees to elect to defer compensation into annuity contracts or custodial accounts intended to meet the requirements of Section 403(b) of the Internal Revenue Code; and

WHEREAS, the Internal Revenue service had issued final regulations pursuant to Code Section 403(b) that require the adoption of written plan before 2009 and implementation of procedures designed to assure compliance with the final regulations and other applicable law; therefore

BE IT RESOLVED, the Board desires to authorize the Business Manager of the District to decide how the District should proceed in light of the final regulations and, if applicable, to execute a written plan, administrative agreements and documents and take any required actions to assure the District's compliance with applicable law.

BE IT FURTHER RESOLVED, that the Business Manager is authorized and directed, without further action of the Board,

- to decide what, if any, provisions a written plan governing the 403(b) arrangement maintained by the District should contain,
- to obtain advice from legal and other professionals concerning the Plan,
- to execute such agreements with a TPA, insurer custodian or vendor and documents as he or she deems appropriate concerning the administration and other matters associated with the Plan,
- to take such action as he or she deems appropriate, on the advice of counsel or in his or her discretion, to cause the Plan to comply with and be administered according to applicable law and its terms.

Mr. Mark Kludt seconded. Five votes yes. Motion carried.

ACTION 08205

Rick Hohn, Business Manager, presented a request received from Richelle Hyatt asking that District bus service be provided to her residence. Hohn indicated that the Hyatt resident is approximately 5 ¼ miles from an existing bus route and well outside the boundaries of the Watertown School District. Mr. Steichen, Transportation Director, addressed the Board in relation to an alternate proposal in which Mrs. Hyatt would meet the District buses at the Redlin Lodge or another agreed upon route location. Mr. David Linngren moved that the request for bus route services as presented by Richelle Hyatt be denied and that the District offer the alternative of meeting the bus at the Redlin Lodge or an existing route location. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

ACTION 08206

Rick Hohn, Business Manager, presented for the Board's consideration resolutions that would allow the District's participation in the ASBSD Worker's Compensation Insurance and the General Liability Insurance programs for the 2008-09 year. Hohn went on to indicate that the Worker's Compensation rates remained at the 2007-08 level and that the property and liability coverage rate was decreased significantly. Dr. Fred Deutsch moved that the resolutions for the insurance participation be approved as presented. Mrs. Patty Wilson seconded. Five votes yes. Motion carried. (A complete copy of these revenues can be viewed in the office of the Business Manager.)

ACTION 08207

Sandie Jungers, Special Education Director, presented for the Board's review and consideration a Comprehensive Plan for the Watertown School District's Special Education Programs. Mrs. Jungers briefly reviewed the 106 page document. Following general discussion, Mr. Kludt moved the approval of the Comprehensive Plan for the Special Education Programs as presented. Dr. Fred Deutsch seconded. Five votes yes. Motion carried. (A complete copy of this Comprehensive Plan can be viewed in the office of the Special Education Director.)

ACTION 08208

Mrs. Patty Wilson moved that the open enrollment requests involving three students be approved as presented. Mr. Mark Kludt seconded. Five votes yes. Motion carried.

ACTION 08209

Dr. Fred Deutsch moved that the public school exemption involving one student be approved as presented. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

ACTION 08210

Superintendent Dr. Lesli Hanson presented for their final reading and approval the following policies: BBBA – Duties of Board Members, ABB – School Board Powers and Duties, BBBB – New Member Orientation, BBBE – Compensation, BBC – Board Member Resignation/Removal from Office and FFA - Memorials. Mr. Mark Kludt moved the approval of the policies as presented. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

ACTION 08211

Mr. David Linngren moved that previously tabled policy AD – Attendance Boundaries be removed from the table for the purpose of action. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

Mrs. Patty Wilson moved that policy AD – Attendance Boundaries be returned to discussion. Mr. David Linngren seconded. Five votes yes. Motion carried.

COMMUNICATIONS

Superintendent Dr. Lesli Hanson reported on the recent results of the South Dakota High School Activities Associations election. Superintendent Hanson also reported on the fund raising efforts related to the scoreboard/message center project by indicating that currently \$211,700.00 has been raised. Superintendent Hanson also provided the School Board with a letter from Jason Frerichs indicating his candidacy for the House of Representatives. The Nutrition Service report was also provided.

K-12 DISCUSSION ITEMS

Lake Area Multi-District – Superintendent Hanson reported that the budget of Lake Area Multi District was reviewed for 2007-08 and the 2008-09 Budget was approved. Dr. Hanson also indicated that the Lake Area Multi District continues to have success in the area of obtaining State and Federal grants.

McKinley Project Report – Don Stormo, District Maintenance, provided the School Board with an update in relation to the McKinley Project. Mr. Stormo's report outlined the status of the various phases related to the project and Mr. Stormo identified the various areas of the project currently receiving the most attention. It was stated that the progress being made in the various areas is acceptable with the need to continue towards timely completion. It was noted that an open house at the new McKinley Elementary facility is scheduled for Sunday, September 7th.

Potential Use of the Grant Facility – Dr. Lesli Hanson informed the School Board of a potential lease in relation to the Watertown Headstart Program using the Grant facility for their program

offerings. Due to the fact that currently the District has not identified a use for this facility for the upcoming year, this would provide an opportunity to assist the Headstart Program and for the District to recoup some of its overhead costs. The general terms and conditions of a potential lease were discussed.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading the following policies: BBE – Board Vacancy, BBBE-P – Unexpired Term Fulfillment, BBD – Board – School Superintendent Relations and BC – School Board Meetings.

Substitute Handbook – Superintendent Dr. Lesli Hanson presented a Substitute Teacher Handbook for Board information and review. The handbook outlines expectations of the substitutes who choose to work in the Watertown School District.

Attendance Procedures at Watertown High School – Mr. Michael Butts, High School Principal, provided the School Board with a draft of changes/additions/deletions to the Watertown Senior High School Attendance Policy. Mr. Butts indicated that the modifications make the actions of the District and staff more proactive rather than reactive. Mr. Butts then continued with a complete review of the proposed modifications, indicating that the modifications were minor in nature. General discussion was held in relation to school attendance at the High School, Middle School and elementary level.

ACTION 09073

Rick Hohn, Business Manager, presented a short term note in which the Lake Area Tech Bookstore would be borrowing \$100,000.00 of operating capital from Lake Area Technical Institute's General Operating Fund. Mr. Hohn explained that the need for the short term note is caused by a significant amount of computer lease payments owed by students in relation to the Laptop Lease Program. Mrs. Susan Jones moved the approval of the \$100,000.00 short term note as presented. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

American Education Week – Beth Schutt, WEA Representative, noted that National Education Week begins November 16th and runs through November 22nd. Mrs. Schutt reviewed the theme for the week and outlined several planned activities such as an educational gift for all babies born at Prairie Lakes Hospital during the week, radio spots, marquee notification, etc. Several in house activities are also scheduled.

Lake Area Multi District – Superintendent Dr. Lesli Hanson indicated that the Lake Area Multi District is currently working on the creation of additional opportunities related to career and technical education for 9th and 10th grade students.

McKinley Project – Rick Hohn, Business Manager, provided the School Board with a project completion report which illustrated a total construction cost of \$3,503,546.00 which calculates to \$112.78 per square foot. Hohn went on to indicate that the change orders were very minimal for a project of this size and complexity. It was also noted that the project came in under budget by approximately \$60,000.00.

High School Library – Jean Moulton, High School Librarian, provided the School Board with a presentation dealing with the happenings of the High School Library. Mrs. Moulton thanked the Arrow Education Foundation for the funding related to the décor upgrade. Mrs. Moulton went on to explain the Library Media Center and its role in educating students. The library provides print and non-print resources and it was noted that library participation has increased greatly over the past year. The question was asked and Mrs. Moulton answered by indicating that all students are provided an overview of what is available at the library and how to access these resources.

High School Coursework – Mr. Michael Butts, High School Principal, provided an overview of some possible modifications to the 9th and 10th grade course requirements considering the potential increase of career and technical education being offered at the Lake Area Multi District. The discussion included the moving of some of the current 9th grade requirements to later years.

Board of Regents Remedial Report – Superintendent Dr. Lesli Hanson provided information in relation to the Board of Regents process of selecting students for remedial coursework. Hanson indicated that basically, the Board of Regents has established that certain ACT scores in specific areas of study trigger the need for remedial opportunity. Superintendent Dr. Hanson indicated that history illustrates that the number of students needing remedial coursework continues to decline and the decline has been fairly significant over the past five years. It was also noted that remedial courses are a cost to students and parents and that no college credit is earned while taking a remedial course.

1:1 Computer Initiative – Mr. Michael Butts, High School Principal, explained that due to the difficulties in the corporate world, the Watertown School District is feeling the affects in the areas of warranty and other types of repair related to the Gateway Laptops. Mr. Butts went on to indicate that Gateway sold the repair/warranty side of their business to a company by the name of MPC and due to that companies financial difficulties, the machines are not being repaired. In an attempt to preserve the 1:1 Computer Initiative, Mr. Butts indicated that a change in which the 9th and 10th grade computers will remain in the school and the students will be provided an opportunity to use these machines via classroom sets. Mr. Butts went on to indicate that 11th and 12th grade students will continue to have their machines on a 24-7 basis.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: CBG – Evaluation of the Superintendent; CF – School Building Administration; CGB – Vacations/Administration; CH – Policy Implementation and CHCA – Approval of Handbooks and Directives. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District's website.)

ACTION 09077

Rick Hohn, Business Manager, presented for the Board's review and consideration change order #4 of the McKinley Project in the amount of \$11,510.00. Hohn went on to explain the various components of this change order and recommended its approval. Mr. David Linnngren moved that the McKinley Project change order #4 be approved in the amount of \$11,510.00 as presented. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

ACTION 09078

Rick Hohn, Business Manager, indicated the District's disappointment in the amount of chipped block used and the less than professional workmanship provided in relation to certain walls of the McKinley School. Hohn went on to indicate that this concern is appearance only and that the facility is structurally sound. This concern was brought to the general contractor's attention following Phase I and at the completion of the project as well. Following the consultation with others closely related to this project, it was recommended that \$10,000.00 be withheld from the general contractor in relation to the block work. Mrs. Susan Jones moved that the Watertown School District withhold \$10,000.00 from the general contractor related to the McKinley School

Project for the poor quality of block and the less than professional workmanship. Mr. David Linngren seconded. Five votes yes. Motion carried.

ACTION 09079

Rick Hohn, Business Manager, asked that the Board provide authorization to begin the process related to the construction of a parking lot to be located north of Roosevelt on District owned property. Mr. David Linngren moved that Aason Engineering be authorized to design a parking lot on the District owned property and that the Business Manager be authorized to bid said parking lot when plans are complete. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

ACTION 09080

Mrs. Susan Jones moved the appointment of Paul Hinderaker as a director on the Arrow Education Foundation Board for the vacated term of Robin Branhan, November 10, 2008 through June 1, 2010. Mrs. Patty Wilson seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi District – Superintendent Dr. Lesli Hanson provided a brief update in relation to the meeting of the Lake Area Multi District Superintendents in preparation for the upcoming Lake

Area Multi District Board Meeting. The by-laws and preliminary enrollment numbers were discussed and at the present time the enrollment numbers look very good.

High School Technology Report – Michael Butts, High School Principal, indicated that he is somewhat pleased in the fact that the three year lease in relation to the Gateway laptops is coming to a close at the end of the 2009 school year. Mr. Butts indicated that the current condition of the failing machines and the financial position of Gateway have caused a bit of stress in relation to the Laptop Initiative. With that said, Mr. Butts did indicate that he still supports the use of laptop technology. Andy Hiedeman, High School Student, offered a presentation via the use of technology in relation to the current use of laptops. Mr. Butts reported that five schools have visited the Watertown High School in relation to their review of our Laptop Initiative. Mr. Butts also outlined the various activities associated with staff discussion and input in relation to the Laptop Program. The High School has been doing research in relation to how other schools with similar laptop programs have been using their equipment to improve instruction. Mr. Butts shared the results of a staff survey in relation to the usage of laptops and indicated that several expressed similar thoughts and concerns in relation to: damage, misuse, etc. During the general discussion, Scott Shephard, High School Integrationist, shared his thoughts in relation to the use of technology and Jensi Andrus-Kellog, High School Instructor, indicated that she really does not know how she would teach her classes without the current technology. Dr. Lesli Hanson thanked the Laptop Leadership Team for their efforts throughout the last year's struggles and for their guidance in the upcoming initiative.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: JB – Equal Educational Opportunities; JBE – Truancy; JDD – Discipline Guidelines and JDDA – Standards and Procedures for Suspension or Expulsion of Students. COMMUNICATIONS

Superintendent Dr. Lesli Hanson took this opportunity to thank the Mayor and the Department of Transportation for their reconsidering of the detour route that was originally scheduled to reroute traffic on a street adjacent to Roosevelt Elementary.

Superintendent Dr. Lesli Hanson also informed the Board that Senator Johnson will be speaking at the BISCO Barbeque for April 7, 2009 at 11:30 a.m. at the Event Center.

Superintendent Dr. Lesli Hanson offered her congratulations to the Watertown Girls Basketball Team and the Watertown Boys Basketball Team for each making it to their respective State Tournament.

Superintendent Dr. Lesli Hanson offered the following for Board review and information: Grapevine, Enrollment Report and Nutrition Report. Superintendent Hanson provided a legislative update by highlighting Senate Bill 185 – which revises graduation requirements; Senate Bill 126 – which revises provisions regarding school attendance; Senate Bill 91 – which allows use of Capital Outlay Funds for various general operating costs; House Bill 1198 – defeated, but would have allowed schools to charge fees for co-curricular participation and Senate Bill 195 – defeated, which would have established Pre-Kindergarten criteria. Hanson also indicated that it currently looks like there will be a 3% increase in the base formula for School Districts throughout the State.

Mrs. Susan Jones pointed out that employee retirements are way more important than just the motion and the second that they receive during the Board Meeting. Mrs. Jones expressed the School Board's appreciation for their many years of service. Mrs. Susan Jones also pointed out a Public Opinion picture in which David Linngren was included as a member of the basketball team. Mrs. Jones thanked him for his many years of service.

Chairman Dr. Fred Deutsch indicated that our three legislatures are doing a great job in Pierre in representing the desires and concerns of the Watertown Community. Chairman Dr. Fred Deutsch and Mrs. Patty Wilson expressed their intent to seek re-election of their respective School Board positions.

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson reported that discussions have been held in relation to the number of students enrolling in classes at the Lake Area Multi District. Dr. Hanson indicated that enrollment at Lake Area Multi District appears to be strong for the 2009-10 year. Dr. Hanson also indicated that an instructor is needed for one of the 9th and 10th grade exploratory class electives.

2009-10 Preliminary Budget – Rick Hohn, Business Manager, presented the School Board with a copy of the 2009-10 Preliminary Budget. A budget summary was reviewed along with information that provided a comparison between the proposed budget to the budget approved for the past year. (A complete copy of the 2009-10 Preliminary Budget can be viewed in the office of the Business Manager.)

High School Graduation – Michael Butts, High School Principal, indicated that District instructors and support staff will once again be asked to meet in the concourse and greet students prior to the students entering the Civic Arena. The District staff will also be provided with reserved seating. Mr. Butts went on to indicate that it is the continued focus to eliminate noise makers and loud devices during the graduation ceremony and that a celebration will be held at the end of the graduation ceremony. Mr. Butts indicated that the District is anticipating 260 graduates and that the District has had 13 students graduate early and one night school graduate.

Safety Patrol – Dave Eggen, Jefferson Elementary Principal, offered a review of the Safety Patrol Program that was piloted at McKinley, Roosevelt and Jefferson. The District participated on the invite of police Chief Jo Vitek. Mr. Eggen indicated that Captain Lee McPeek served as the liaison and that AAA Services provided supplies and equipment. The Safety Patrol Program provided leadership opportunities for students and assisted with the safety of these buildings. Teacher leaders Ryan Zink, Tom Wilde and Chad Rohde along with student representatives provided specific building information to the School Board. Captain Lee McPeek indicated that a trip to Pierre on the 27th of May is scheduled for the Safety Patrol participants but he was sorry to

report that the Governor was going to be out of town on that day so the students would not have the opportunity to meet him.

Kindergarten 2009-10 – Superintendent Dr. Lesli Hanson reported in relation to the Kindergarten screening in which 310 students were screened. Dr. Hanson also indicated that 92% of the students screened have attended preschool and that number is greatly improved when compared to previous years. Dr. Hanson also noted that the screening process is currently under way in relation to submission to the District’s Preschool Program opportunity at McKinley.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: JEC – School Admissions, JECB – Admission of Nonresident Students/Assignment of Resident Students, KHA – Fund Raising and JB Equal Educational Opportunities. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District’s website.)

ACTION 09179

Superintendent Dr. Lesli Hanson provided some history in relation to the Laptop Initiative that has been in place at the Watertown High School for the past six years. Mr. Michael Butts, High School Principal, provided a detailed review of the process used in relation to the selection of a vendor to continue the District’s Laptop Initiative. Mr. Butts indicated that it is the recommendation of the High School Laptop Leadership Team that the District partner with Apple, Inc. for the purchase of MacBooks as the District continues forward with its Laptop Initiative. Mr. Butts indicated that the staff and committee members are excited about the durability and the operation of the MacBook machines. The Board was informed of the professional development/learning opportunities that will be forthcoming along with the distribution of laptops that will occur following the start of the 2009-10 school year. Damage and repair was also discussed in the areas of warranty work, accidental damage and intentional damage.

General discussion and related information was shared between the School Board and the following in various areas: Deb Fredrickson – Apple support; Scott Shephard – rewarding process that was used that involved High School teachers and students; Thad Titze – instructional integration; Shannon Manley – selection process and staff involvement; and Rick Hohn – financial information.

Mr. David Linnngren indicated that the Watertown community needs to be thanked for their support of this project and our school system. Susan Jones offered a suggestion that we provide a time when the High School can show case the technology equipment to the community.

Following the presentation and general discussion, Mr. David Linnngren moved that the Watertown School District partner with Apple, Inc. in relation to the MacBook Laptops, related software, network equipment and staff development. Mrs. Susan Jones seconded. Discussion was held in relation to the total cost of the Initiative being approximately \$1,661,500.00. Following the additional discussion, five votes yes. Motion carried.

ACTION 10038

Deb Shephard, LATI President, indicated that the LATI Aviation Department received a new aircraft this past summer and therefore there is no longer a need for the Cessna 337 Skymaster. Mrs. Susan Jones moved the approval of the following resolution declaring the Cessna 337 Skymaster Aircraft as surplus.

RESOLUTION

WHEREAS, the Watertown School District declares the following Lake Area Technical Institute property listed below, no longer necessary, useful or suitable for the purpose of which it was acquired,

1968 twin-engine Cessna 337 Skymaster Aircraft

AND WHEREAS, the Watertown School District School Board appoints the following individuals as appraisers of above listed equipment,

Bryan Brost – 16641 – 450th Ave., Watertown, SD
Gerald Kasuske – 474 South Lake Drive, Watertown, SD
Carl Fischer – 866 South Lake Drive, Watertown, SD

BE IT RESOLVED, that the Business Manager of the Watertown School District be authorized to request bids in relation to the sales of the listed property as allowed by state statute.

Mr. David Linngren seconded. Five votes yes. Motion carried.

ACTION 10039

Rick Hohn, Business Manager, explained that due to the fact that Federal dollars are associated with the Zero Percent Principle Forgiveness Loan, additional regulations are required to remain in compliance and therefore, the “Green” portion of the LATI construction projects may need to be rebid. Hohn went onto explain that Mike Cartney, LATI Vice President, and he have been communicating with State officials in relation to the previously unknown requirements. Mrs.

Susan Jones moved that the Business Manager be authorized to bid the LATI “Green” portion of the construction project if needed. Mr. David Linngren seconded. Five votes yes. Motion carried.

ACTION 10040

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson indicated that the Lake Area Multi District is currently discussing the enrollment levels from the various member schools. Dr. Hanson went onto indicate that the current bylaws of the Lake Area Multi District are being reviewed and that there is a Lake Area Multi District Board Meeting scheduled for Wednesday, September 16, 2009.

High School Attendance and Tardy Procedure – Michael Butts, High School Principal, offered a review of the fine tuning that is taking place in relation to the attendance and tardy procedures. Mr. Butts indicated that attempts are to get the students to reduce their absences and understand that they will be more successful if they attend class and school. Mr. Butts indicated that parents are now notified when a student has ten absences in a single semester compared to eight per quarter. An automatic calling system has also been installed in the High School which will call the student’s home to deliver a message of the student absence.

Assessment Data 2008-09 – Steve Moore, Assistant Superintendent, presented the 2008-09 school year data and explained how this testing data will be used. The testing data explained was as follows: Abacus-Benchmark, Dakota-STEP, Writing Tests and ACT. Mr. Moore went onto explain the various measurements of the different tests and the different levels of mastery. It was indicated that the High School uses a few more tests and other items to measure student success. The presentation concluded with the providing of comparisons in relation to the Watertown District with other large Districts within the State.

ACTION 10058

Rick Hohn, Business Manager, presented a resolution on behalf of the State Board of Education in relation to the issuing of \$7,000,000.00 of bonds on behalf of the South Dakota Health and Education Facilities Authority to accommodate LATI's construction of Phase III, alternates of Phase II and operation and maintenance dollars. Mr. Mark Kludt moved that the resolution authorizing the execution, delivery and performance of one or more supplements to the certain sublease agreement between the School District, as tenant and the South Dakota Board of Education, as lessor and certain related matters in connection with the bond issuance be approved. Dr. Fred Deutsch seconded. Five votes yes. Motion carried. (A complete copy of this resolution can be viewed in the office of the Business Manager.)

ACTION 10059

Deb Shephard, LATI President, presented for Board consideration a Joint Powers Agreement between the State of South Dakota and Lake Area Technical Institute as it relates to the delivery and usage of a State owned aircraft. Shephard went onto indicate that the agreement will allow LATI to take possession of the aircraft for the use in its Aviation Training Program for an indefinite period of time. The agreement further states that LATI will not be allowed to fly the aircraft or permit any other party to fly the aircraft unless written consent is obtained from the State of South Dakota. Mr. David Linnngren moved the approval of the Joint Powers Agreement as presented. Mrs. Susan Jones seconded. Five votes yes. Motion carried. (A complete copy of the Joint Powers Agreement can be viewed in the office of the President of LATI.)

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson updated the School Board on the recent meeting of the LAMD Superintendents. Dr. Hanson indicated that discussion is being held in relation to the financial commitment needed by a school wishing to join the Multi-District. Hanson also reported that the student enrollment at LAMD is at a nice level.

District Goals for 2008-2011 – Superintendent Dr. Lesli Hanson reviewed the following five goals and there related action plans: 1) All students will graduate High School on time and be post-secondary prepared; 2) The Watertown School District will achieve academic excellence via the enhancement of curricular and co-curricular offerings; 3) All teaching staff will be highly trained, utilize research – base methodologies and continue to lead in the integration of technology to maximize student achievement and success; 4) Through meeting the needs of learners and supporting our staff, the Watertown School District will offer the best teaching and

learning opportunities in South Dakota and 5) The Watertown School District will maintain financial liability.

German Exchange Trip – Michael Butts, High School Principal and Rich Thomas, German Instructor, offered a review of the German Exchange Program that was started in 1997 via a program entitled GAPP – German American Partnership Program. General discussion was held in relation to the cost of the travel, time of year the travel occurs and the number of students that typically participate. Rich Thomas provided an overview of a typical itinerary while the students are in Germany. Two parents, Sarah Caron and Julie LeVake spoke in support of the German Exchange Trip. Superintendent Dr. Lesli Hanson also indicated that she sees the value of this Exchange Program.

Search Survey Data Review – Steve Moore, Assistant Superintendent, provided the School Board with the recent Search Survey results. Mr. Moore indicated that the results are used to create programs that will be beneficial to students in need. The survey is given to students in grades 7-12 and typically our students answer the survey questions very honestly and therefore, very few surveys are rejected due to varying answers. Mr. Moore indicated that the results reflect significant improvements in some areas, but also point out a few areas of concern. Kelli Rumpza was thanked for her support and help during this survey process.

Soccer – Doug Schooley, Watertown School District Athletic Director and a member of the South Dakota High School Activities Association Board of Directors, presented information in relation to the potential addition of soccer as a sanction sport by the SDHSAA. Mr. Schooley provided a draft budget of costs if the School District was to consider the offering of soccer and also provided a timeline related to the moving from a club sport to a sanctioned activity. Mr. Schooley indicated that his draft budget was on the soft side due to the fact it did not include field maintenance, uniforms, etc. General discussion was held on a wide range of topics in relation to the addition of soccer.

Self-Funded Insurance Report – Rick Hohn, Business Manager, provided the Board with information as it relates to the September 30, 2009 year end of the Employee Benefit Trust. Hohn indicated that the 2008-09 year was not as good as desired due to the reflection of a decrease in cash in the amount of \$361,830.00. The report also provided information as it relates to future premium levels, the number of individuals participating in the group plan and a projection for the 2009-10 year. Hohn also stated that DakotaCare will again provide the third party administration of claims and the District will be participating in the DakotaCare network.

ASBSD Delegate Standing Positions and Legislative Resolutions – Chairman Patty Wilson indicated that Susan Jones and Dr. Fred Deutsch will be serving as the 2009-10 legislative contacts for the District and that Mrs. Jones will be attending the delegate assembly scheduled for November 20th. The 2009-10 ASBSD Standing Positions as currently recommended by the association were presented and Chairman Wilson asked that Board members contact Mrs. Jones or Dr. Deutsch with their comments.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: JT – Administering Medicines to Students; JS – Procedure to be Followed in the Handling of School Money and JGFGA – Child Neglect and Abuse Policy. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District's website.)

SCHOOL BOARD MINUTES
WATERTOWN SCHOOL DISTRICT NO. 14-4
CODINGTON COUNTY, SOUTH DAKOTA
(Pending School Board Approval)

The School Board of the Watertown School District No. 14-4 of Codington County, South Dakota convened pursuant to due notice at 12:00 p.m., Wednesday, **October 14, 2009** in special session. The following members were in attendance: Chairman Patty Wilson, Susan Jones, Dr. Fred Deutsch, David Linngren and Mark Kludt. Also in attendance were members of the Lake Area Technical Institute Strategic Advisory Council, District administration and representatives of the news media.

Chairman Patty Wilson convened the Board in session for its special meeting by leading the Pledge to the Flag.

Chairman Patty Wilson began the meeting by having those in attendance introduce themselves.

LATI DISCUSSION ITEMS

Critical Performance Indicators – Mike Cartney, LATI Vice President, provided an overview of the October 2009 Quarterly Dashboard by offering related information in the following areas: Enrollment, Fiscal Health, Plant Capacity/Condition, Human Resources, Industry - Regional Relationships and Accreditation.

Campus Expansion – Shane Ortmeier, Director of Support Operations, offered a detailed update to those in attendance on the status of Phase I and Phase II construction. Mr. Ortmeier indicated that Area “A” is currently occupied and it is anticipated that Area “B” and “C” will be completed by late December. The projects appear to be progressing as expected with the weather being a slight concern at this point. The School Board indicated that they recognize the current location of the District’s Bus Garage is something that needs to be dealt with in the near future.

Higher Learning Commission Report – Kim Bellum, Instructional Coordinator, presented and reviewed the 2009-10 Self Study Report that was submitted to the Higher Learning Commission. Bellum noted the concerns that were offered by the commission during their visit and how LATI is addressing those concerns. Bellum also stated the reasons that accreditation is so important to LATI and its students.

Major Gift Campaign – Tom Paulson, Executive Director of the LATI Foundation, shared a chart which outlined the current status of the campaign and indicated that the campaign is going well at this point. It was noted that there are twelve different divisions and eleven of those divisions are currently activated. Paulson indicated that the gifts are broken down into the following categories: Cash Gifts, Pledged Gifts, In-kind Gifts, Planned Gifts and Grants. It was noted that other opportunities are coming out of the campaign with various groups/companies wishing to visit the campus of LATI and the programs being offered.

Future Trends – Deb Shephard, LATI President, asked that the Strategic Advisory Council offer their thoughts and discussion in relation to the economy and how it might affect the State, Watertown Community and LATI. General discussion was held on a wide range of topics.

COMMUNICATIONS

Superintendent Dr. Lesli Hanson reported on a recent meeting held in Chamberlain with the Presidents, Superintendents and School Board members from the four technical schools. Dr. Hanson indicated that additional meetings are scheduled and that the next meeting is set for January, 2010.

Chairman Wilson thanked the Strategic Advisory Council for their time and assistance.

ADJOURNMENT

Mr. David Linngren moved that the Watertown School Board adjourn its special meeting at 1:25 p.m. Dr. Fred Deutsch seconded. Five votes yes. Motion carried.

Bid Bond	Yes	Yes	Yes
Bid Amount Addendum #1	\$234,418	\$248,000	\$253,000

Hohn indicated that the cost of this project will be accommodated by the use of a portion of the State Bond dollars designated for repair and maintenance projects. Mr. David Linngren moved that the bid received from Andor Plumbing and Heating in the amount of \$234,418 be approved in relation to the HVAC replacement project. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson indicated that all instructors and the director at the Lake Area Multi District had been selected and will be presented to the Lake Area Multi District Board for their consideration at the upcoming meeting. Dr. Hanson also indicated that the number of students to participate at the Multi District are being finalized and that the funding for the Bio-Medical course offering has been secured through the State in the form of a Career and Technical Education Grant.

2010-11 Preliminary Budget – Rick Hohn, Business Manager, presented the School Board with a copy of the 2010-11 Preliminary Budget. A budget summary was reviewed along with information that provided a comparison between the proposed budget to the budget approved for the past year. (A complete copy of the 2010-11 Preliminary Budget can be viewed in the office of the Business Manager.)

Parent Survey Results – Superintendent Dr. Lesli Hanson used a power point to review the results of the recent parent survey. Hanson indicated that the survey reflected that there is general support as to how the District is currently operating. The areas of the survey were as follows: Current Schedule, Internet Access, Technology and the Parents Use of Checking their Child's Grades via the use of the Campus System, ½ Day versus All Day Kindergarten, Parent/Teacher Conference Schedule and the Starting Date of the School Year.

Third Quarter Update and Dual Credit Review – Mr. Michael Butts, High School Principal, provided a review of the following areas: Failing Grades/Success Rate – results reflected an improvement over the previous third quarter; The Relationship Between Failing Grades and Student Attendance; Power of ICU – Holding Students Accountable; Awesome Arrow Awards; Attendance; Dropout Rate – the number of dropouts has greatly improved with there currently being only 23; GED Program – outlined the programs success and some of the shortcomings; Dual Credit with Lake Area Technical Institute – 36 students enrolled in 15 course offerings; Next Steps – online courses, advisory program and the reviewing of attendance data.

Kindergarten 2010-11 – Superintendent Dr. Lesli Hanson indicated that there are currently 340 Kindergarten students enrolled. Hanson indicated that this number does include the Junior Kindergarten students and that this number brings the District very close to the Kindergarten enrollment cap even with the added section. Dr. Hanson indicated that this is a positive trend and hopes it continues.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: GDA – Job Sharing; GDA-P – Job Share Proposal; GSO – Code of Ethics for the Teaching Professions; GCA – Worker's Compensation; and IDCA – Summer School. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District's website.)

ACTION 10167

BE IT RESOLVED, that the Business Manager of the Watertown School District be authorized to sell and dispose the listed property as allowed by state statute.

Mrs. Susan Jones seconded. Five votes yes. Motion carried.

ACTION 10174

Rick Hohn, Business Manager, presented for the Board's consideration a Development Lot Agreement as it pertains to District owned property at the Garfield School site. Hohn indicated that this lot agreement will join the District owned lots at that location for various improvements, such as the relocation of the garage from the Watertown High School to that site. Mrs. Susan Jones moved the approval of the Development Lot Agreement as presented. Mr. David Linngren seconded. Five vote yes. Motion carried. (A complete copy of the Development Lot Agreement can be viewed in the office of the Business Manager.)

ACTION 10175

Superintendent Dr. Lesli Hanson introduced Laura Morrow, Jefferson Elementary Principal; Kris O'Brien, High School Instructor; and Tricia Walker, Watertown Education Association President. Kris O'Brien indicated that she enjoyed working with the committed committee members in relation to the development of the Professional Growth Rubrics that will be used as the new evaluation tool. O'Brien also shared thoughts and responses from individuals who have piloted this new evaluation tool by indicating that the comments have been positive. Laura Morrow shared her thoughts from the Principal's point of view and indicated that there were some concern stated in relation to the amount of time the new evaluation process will take, but that the positive outcome of this new process outweighed that concern. Tricia Walker indicated excitement as to the use of this growth tool and that trust between teachers and administrators will play a key role in this new process. Walker also indicated that this evaluation process/tool will be subject to change and growth as we move forward. Superintendent Dr. Lesli Hanson shared her appreciation for the combined effort of all involved. Dr. Hanson then presented a memorandum of understanding for Board consideration in relation to the professional growth component and changes to the activity pay schedule. Dr. Fred Deutsch moved the approval of the revised Article IV: Evaluation and the modifications to Article XXIV: Activity Pay Schedule as presented. Mrs. Susan Jones seconded. General discussion was held in relation to the process of when teachers will be participating in the various components of the Rubric. Dr. Fred Deutsch expressed his excitement in relation to this new professional growth tool. Following the general discussion, five votes yes. Motion carried.

ACTION 10176

Mr. David Linngren moved that Tieszen Law Office Professional LLC, of Pierre, South Dakota, be authorized to settle civil case 08-1044 pursuant to the agreement reached by the parties. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

It was noted that Lake Area Technical Institute secured a State/Federal Grant to cover the cost of this training equipment. Following the discussion, five votes yes. Motion carried.

ACTION 10187

Deb Shephard, LATI President, presented for the Board's consideration a Lease and Joint Use Agreement for the 2010-11 school year between Mount Marty College and the Watertown School District. Shephard went onto indicate that the terms and conditions of this agreement are similar to the past years with the exception of a slight increase in the lease amount. Mrs. Susan Jones moved that the Lease and Joint Use Agreement between Mount Marty College and the Watertown School District be approved as presented. Mr. David Linngren seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi District Board Report – Superintendent Dr. Lesli Hanson reported on the recent meeting of the Lake Area Multi District Superintendents. Dr. Hanson indicated that the new director, Amy Miller, was present along with Mr. Michael Butts, High School Principal, to discuss scheduling for the 2010-11 year. Dr. Hanson indicated that other discussion pertained to the ending of the current year and the starting of a new year.

Middle School Blizzard Team Report – Dan Albertsen, Middle School Principal, thanked the School Board and the Watertown community for allowing the Middle School to have a Blizzard Team and for the support shown in relation to their efforts. Mr. Albertsen shared a story in relation to a Blizzard Team student and the success the student has had that is a direct result of the staff and curriculum of the Blizzard Team. Denise Ottenbacher, Blizzard Team Instructor, shared some of the social highlights that the Blizzard Team had over the past year such as: Thanksgiving meal, end of the year luncheon, field trips to the Goss Opera House, zoo, Great Bear Ski Resort and disc golf. Kim Buechler, Blizzard Team Instructor, outlined the academic highlights by indicating that all students passed their courses and that the students are very involved in the usage of technology via computers, iPods and digital photography. Mrs. Buechler

also indicated that the students have had the opportunity to sharpen their interviewing skills. Jason Buechler, Middle School Counselor, presented grade information that indicated the success of the group. Mr. Buechler also reported that the attendance of the Blizzard Team students is also improved. Parents and students involved in the Blizzard Team provided testimony in support of the program and its success. It was indicated that the program is helping families as well as the students. The student testimony indicated that going to school became important and that absences were only when the students were really sick. The School Board spoke in support of the success of this program and its continuation.

Technology Scores – Mr. Steve Moore, Assistant Superintendent, presented the results of the South Dakota 8th Grade Technology Literacy Assessment. Mr. Moore provided background information as it relates to the requirement of this assessment due to the No Child Left Behind language. Mr. Moore’s presentation outlined the six skill modules identified in the Technology Assessment and provided very positive results in relation to how our 8th grade students performed on this Technology Assessment. Mr. Moore indicated that the results reflected an improvement when compared to the previous year and also were higher than the State averages.

School Board Retreat – Superintendent Dr. Lesli Hanson asked the School Board members if they were interested in an early August retreat type meeting for the purpose of reviewing and refocusing our energy in relation to the goals that are currently in place. All members were in support of Dr. Hanson’s efforts in this area.

Board Policies – Superintendent Dr. Lesli Hanson presented for their first reading and discussion the following policies: IGAG – Teaching About Drugs, Alcohol and Tobacco; IGDK – Participation of Alternative Instruction Students; IGDK-L – Eligibility Checklist for Alternative Instruction Students and IHB – Class Size. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District’s website.)

LATI DISCUSSION ITEMS

LATI Enrollment – Deb Shephard, LATI President, indicated that the enrollment at Lake Area Technical Institute shows a 9.6% increase and that preliminary numbers show an enrollment of 1,438 students. Mrs. Shephard noted that this is a 50% increase when compared to the enrollment of seven years ago. Shephard also indicated that ten programs are at capacity with other programs very near their enrollment caps. It was noted that 20% of the enrolled students are nontraditional students and that this percentage is very comparable to prior years. President Shephard went onto indicate that the increased enrollment is due to several different factors: planned expansion, added course offerings and aggressive marketing. It was also noted that 90% of the enrolled students are from South Dakota and that LATI has an 80% retention rate.

Joint Meeting – Dr. Lesli Hanson indicated that it is time to schedule the annual Joint Meeting between the Watertown School Board and Lake Area Technical Institute’s Strategic Advisory Council. Following a brief discussion, the Joint Meeting was set for 12:00 p.m. on Wednesday, October 6, 2010.

LATI Construction Update – Deb Shephard, LATI President, provided an update in relation to the various construction projects occurring on the campus of Lake Area Technical Institute: Phase II continues to move towards completion; Anatomy Lab is currently being used as a classroom and the engineers are working on additional cooling needs; Phase III construction is currently underway with the relocation of utility services; and the “Green Project” parking lot is scheduled to be paved this week, weather permitting. President Shephard concluded her update by showing a virtual tour of the Phase III building.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting reported on the recent meeting of the LAMD Superintendents in which the following were discussed: grading via the use of campus, slot utilization, the upcoming Board Meeting and next year’s school calendar. Superintendent Jutting reminded the School Board members that the next meeting of the Lake Area Multi-District Board will be held at the Watertown High School.

Self-Funded Insurance Report – Rick Hohn, Business Manager, provided the Board with information as it relates to the September 30, 2010 year end of the Employee Benefit Trust. Hohn indicated that the 2009-10 year was better than the previous year and that the Trust balance increased by \$174,514.00. The report also provided information as it relates to the future premium levels, the number of individuals participating in the group plan and a projection for the 2010-11 year. Hohn also stated that DakotaCare will again provide the third party administration of claims and the District will be participating in the DakotaCare network. It was also indicated that the Trust will be purchasing its individual stop-loss coverage from Optum Health Company.

Public Views on K-12 Education in South Dakota – Superintendent Dr. Lesli Jutting reviewed a Public Views Report in relation to K-12 education in South Dakota. Dr. Jutting highlighted various points of the report and indicated that the report can be viewed online on the State website. In general, the report reflected strong support for K-12 education throughout South Dakota and the need for additional funding.

Curriculum Cycle – Darrell Stacey, Assistant Superintendent, indicated that the Curriculum Cycle was reviewed and modified due to the possible adoption of new National Math Core Standards. Mr. Stacey indicated that the 2010 curriculum review will be in the areas of guidance counseling along with health and fitness. General discussion in relation to how curriculum review affects the finances of the District and staff time was held.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting reported on the recent meeting of the LAMD Superintendents in which discussions were held in the area of enrollments, 2011-12 calendars and potential course expansion. Chairman David Linngren informed those in attendance that Great Plains Lutheran High School is now a member of the Lake Area Multi-District.

American Education Week Activities – Superintendent Dr. Lesli Jutting and Tricia Walker, WEA President, explained the purpose of the American Education Week and the activities associated with the honoring of American Education. The activities explained were both community wide and activities within the District. Dr. Jutting indicated that all District substitutes are invited to the buildings on Tuesday to participate.

High School Handbook Update – Mr. Michael Butts, High School Principal, reviewed and discussed the following modifications to the Student Handbook: attendance accountability to encourage students to have good attendance so they would be allowed to participate in various school dance activities; senior privileges and the use of a student score on the Dakota STEP test in addition to other criteria.

District School Improvement – Mr. Darrell Stacey, Assistant Superintendent, provided an overview of the School Improvement designation and data analysis via the use of a PowerPoint presentation. It was indicated that the Watertown High School is in School Improvement in the

area of Special Education and therefore, the entire High School is considered to be in School Improvement. Mr. Stacey's presentation included the components of a School Improvement Plan, Dakota STEP information, along with data analysis of math and reading. Mr. Stacey also explained the components of what is referred to as "safe harbor". General discussion was held in relation as to how the School Improvement Plan will affect and benefit student learning. Superintendent Jutting explained that the School Improvement Plan would be presented for Board review at the December meeting.

Board Policies – Superintendent Dr. Lesli Jutting presented for their first reading and discussion the following policies: KG – Community Use of School Facilities, KG-A – Community Use of Facilities Group Definitions, KGB – Public Conduct on School Property, KGC – Tobacco Free Environment and KNDA – Copyright Policy. (A complete copy of these policies can be viewed in the office of the Superintendent or on the District's website.)

Superintendent Jutting indicated that discussion was held in relation to a Pre-Engineering class and whether it will be an additional course or if it will replace an existing course offering. The upcoming school calendars were also discussed. Superintendent Jutting indicated that the next meeting of the Lake Area Multi-District Board is set for Wednesday, December 15, 2010.

Research on Pre-School Reading Program – Superintendent Dr. Lesli Jutting introduced Dr. Joyce Anderson, School Psychologist. Dr. Anderson, with the assistance of Tonia Vachal and Karla Bevers, presented information related to a study to measure the affects of parent-directed instruction on phonemic awareness and letter identification skills. The presentation included statistical information, a video of student activity, sample packets of information shared with parents and students and the conclusion that illustrates the importance of parent involvement in a child's educational development. General discussion was held in relation to student success in proportion to parent involvement.

Pre-School Report – School Number Projections – Darrell Stacey, Assistant Superintendent, provided the School Board with information in relation to the number of students participating in Pre-School activities. Mr. Stacey indicated that 94% of four and five year olds attend Pre-School and that this is compared to 70% a few years ago. Mr. Stacey's report also indicated that there will be 334 children eligible for Kindergarten in 2011-12. Given these numbers, Mr. Stacey estimates that there will be 284 students enrolled in Kindergarten in the 2011-12 school year and 281 Kindergarten students in 2012-13. Given these numbers, it was indicated that the District's enrollment should remain relatively consistent in the upcoming years.

High School Quarterly Report – Michael Butts, High School Principal, presented the fall progress report for the first quarter of 2010-11. Mr. Butts' report included information in the following areas: Failing Grades, Students with F's, Incompletes and Power of ICU, Attendance Rates, Drop Out Number, Student Assistance Program, Blizzard Team/Cougar Team, Summer Bridge Academy, Honor Roll, Awesome Arrow Awards and other opportunities that support student

success such as Dual Credit, Night School, GED Program and ARC. In summary, Mr. Butts indicated that this is a very good news report. General discussion was held in relation to the High School's successful numbers.

ACTION 11141

Rick Hohn, Business Manager, informed the School Board that there were not any bids received in relation to the sale and removal of the house located near Mellette Elementary. Hohn went onto indicate that the previously approved resolution provided the authorization to have the house and attached garage removed from the property to accommodate the construction of an off-street parking lot and therefore, no additional action was needed.

ACTION 11142

Rick Hohn, Business Manager, presented for Board consideration a License Agreement between the Watertown School District and LRG Prep, LLC in relation to the nonexclusive right to use the schools name, nicknames, mascot, logo, design and graphics. Hohn went onto explain that the royalty fees paid to LRG are from National chains, not local vendors. Language was added to the proposed Lease Agreement to exclude the school’s bookstore, Booster Club, concessionaires, local stores, local vendors or similar entities from the terms and conditions related to royalty

payments. It was also indicated that both the school's attorney, Arthur M. Hopper, and the attorney from LRG Prep have agreed to the License Agreement language as modified. Hohn indicated that a small amount of royalty fees will be paid to the District on an annual basis. Mr. Mark Kludt moved that the License Agreement be approved as presented. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

Moe Oil Company	\$3.268	\$3.02

Sioux Valley Coop provided the lowest cost per gallon at \$3.005 for Unleaded Fuel and Moe Oil Company provided the lowest cost per gallon at \$3.268 for No. 1 Diesel.

March 8, 2011

<u>Company Name</u>	<u>No. 1 Diesel Price Per Gallon</u>	<u>Unleaded Fuel Price Per Gallon</u>
Sioux Valley Coop	\$3.7445	\$3.3425
Moe Oil Company	\$3.637	\$3.343

Sioux Valley Coop provided the lowest cost per gallon at \$3.3425 for Unleaded Fuel and Moe Oil Company provided the lowest cost per gallon at \$3.637 for No. 1 Diesel.

Dr. Lesli Jutting provided a brief update in relation to the K-12 Legislation. The main focus of the update was related to the modifications to the State funding which include a funding decrease of 6.6%. It was indicated that a portion of the 2011-12 funding will come in the form of one time money equal to approximately 2%. Dr. Jutting also suggested a March 28th meeting at 6:30 p.m. in the High School Cafeteria as a time when the District will present the proposed cuts to accommodate the \$1,400,000.00 of lost revenue. School Board members agreed with the date and time and therefore a special meeting was established.

Superintendent Dr. Jutting also provided an update in relation to the relocation of the District's Transportation Center. It was indicated that the District will continue its pursuit of the Special Use Permit and Variances needed in relation to the 28.8 acres located north of Watertown. Superintendent Jutting thanked the City Council member who is proposing that the City give five acres to the School District for the use of a Transportation Center. Dr. Jutting indicated that the City Council member has been asked to research several concerns in relation to access, needed fill, neighborhood objections, etc.

Chairman Linngren indicated that the special meeting established for the 28th will be an opportunity for community members to receive information in relation to the potential budget reductions and encouraged people to attend.

Mr. Linngren also provided comments in relation to the District's pursuit of the property located north of the City and explained that the need for the relocation of the Transportation Center is to accommodate the expansion of the LATI Campus and the related State Bond funding associated with the construction costs. Mr. Linngren also indicated that it would be great to receive the five acres being proposed from the individual council member if free actually turns out to be free.

ADJOURNMENT

Mr. Mark Kludt moved that the Watertown School Board adjourn its meeting at 8:05 p.m. Dr. Fred Deutsch seconded. Five votes yes. Motion carried.

SCHOOL BOARD MINUTES
WATERTOWN SCHOOL DISTRICT NO. 14-4
CODINGTON COUNTY, SOUTH DAKOTA
(Pending School Board Approval)

The School Board of the Watertown School District No. 14-4 of Codington County, South Dakota convened pursuant to due notice at 6:30 p.m., Monday, **March 28, 2011** in special session. The following members were in attendance: Chairman David Linngren, Susan Jones, Dr. Fred Deutsch, Jan Schull and Mark Kludt. Also in attendance were staff, administration, representatives of the news media and several District patrons.

Chairman David Linngren convened the Board for its special meeting by leading the Pledge to the Flag.

AGENDA REVIEW/APPROVAL

Dr. Fred Deutsch moved that the agenda be approved as presented. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

BUDGET DISCUSSION

Chairman David Linngren outlined the purpose of the meeting and the meeting format. Rick Hohn, Business Manager, provided a brief overview of District funds and indicated that each fund has its specific purpose and that transfers between the various funds are not permitted. Superintendent Dr. Lesli Jutting addressed those in attendance by indicating that it is not the District's desire to present proposed budget reductions, but that it is the hand we have been dealt due to the reduction of State resources. Superintendent Dr. Jutting provided a review of the proposed \$1.2 million dollar list of reductions. It was also noted that the reductions include 27 positions throughout the District. Following the comments by the administration, Chairman Linngren indicated that it is now time for public input and asked those in attendance who wished to address the Board to do so at this time. Several comments by the attendees were provided and noted.

Following the public input, Chairman David Linngren thanked everyone for coming and indicated that the District will continue its development of the 2011-12 operating budget.

SCHOOL BOARD MINUTES
WATERTOWN SCHOOL DISTRICT NO. 14-4
CODINGTON COUNTY, SOUTH DAKOTA
(Pending School Board Approval)

The School Board of the Watertown School District No. 14-4 of Codington County, South Dakota convened pursuant to due notice at 6:30 p.m., Thursday, **April 14, 2011** in special session. The following members were in attendance: Chairman David Linngren, Susan Jones, Dr. Fred Deutsch, Jan Schull and Mark Kludt. Also in attendance were staff, administration, representatives of the news media and several District patrons.

Chairman David Linngren convened the Board for its special meeting by leading the Pledge to the Flag.

AGENDA REVIEW/APPROVAL

Mr. Mark Kludt moved that the agenda be approved as presented. Mrs. Jan Schull seconded. Five votes yes. Motion carried.

BUDGET DISCUSSION

Chairman David Linngren began the discussion by explaining the relationship between the K-12 District and Lake Area Technical Institute along with the issue caused by the need to relocate the Transportation Center. Chairman Linngren stated that LATI is a great asset to this community and its economic development. Chairman Linngren also indicated that a meeting was recently held with Watertown Education Association's building representatives in relation to the proposed budget reductions and thanked those who participated for their input.

District Administration addressed various questions and concerns that were brought forth during the budget discussion of the March 28, 2011 meeting: opt-out process and cost estimates, co-curricular reductions and pay to play consideration, HOST program and future State funding. Chairman Linngren asked the audience if anyone wished to address the Board in relation to its General Fund and the proposed reductions. There being none, the Board proceeded with the review of the Capital Outlay budget.

Rick Hohn, Business Manager, provided an overview of the various Capital Outlay projects and projected expenses for the 2011-12 year. Superintendent Dr. Lesli Jutting explained the need for the relocation of the Transportation Center and the opportunity LATI has to construct a multi-million dollar Agricultural Education Center on that site. Superintendent Dr. Jutting outlined the various options that the District has in reference to the relocation of the Transportation Center: continue the pursuit of the 28.8 acres, consider the offer of the five acres donation or leaving the Transportation Center at its current location, which would delay the growth of LATI.

Chairman David Linngren indicated to those in attendance that now is the time when the School Board will receive public input in relation to the Capital Outlay budget. Several individuals addressed the Board stating their support of the District's consideration to relocate the Transportation Center to allow for LATI's Ag program expansion. As part of those comments, Craig Atkins, President of Focus Watertown, indicated that Focus Watertown was excited about the possible expansion and the fact that this expansion and these bond dollars cannot be put at risk. Mr. Atkins went on by stating that Focus Watertown is offering \$80,000.00 to the District for the cost of its purchase of the 28.8 acres, essentially providing five acres to the District for its Transportation Center's relocation.

Following the public input, Chairman David Linngren thanked everyone for coming and indicated that the District will continue its development of the 2011-12 operating budgets in the upcoming weeks and months. Chairman Linngren also thanked Craig Atkins and Focus Watertown for their offer of \$80,000.00 in support of the District's purchase of the 28.8 acres and indicated that the District will be considering that offer in the very near future.

ACTION 11161

Mr. David Linngren moved to proceed with the 28.8 acre purchase agreement provided the District can obtain satisfactory site plans, based on the conditional use permit, access variance and setback variance to build the Transportation Center on the five acres of the 28.8. The purchase will also be contingent upon securing the \$80,000.00 commitment from Focus Watertown on or before the date of closing. Mrs. Jan Schull seconded. Five votes yes. Motion carried.

Chairman Linngren thanked Mr. Craig Atkins and Focus Watertown for their support towards this purchase.

BUDGET DISCUSSION

Deb Shephard, LATI President, provided a brief overview of Lake Area Technical Institute's Strategic Plan and its benchmarks. Following the Strategic Plan discussion, Deb Shephard, LATI President; Shane Ortmeier, Director of Operations; and Rick Hohn, Business Manager, provided overview and discussion of the following budget areas: Bookstore, LATI Nutrition Services, LATI Educare, LATI Main Operating Budget and Student Financial Aid.

Chairman David Linngren thanked those in attendance and indicated that the next budget work session is scheduled for Monday, April 25, 2011 at 6:30 p.m. in the Superintendent's office.

ACTION 11208

Rick Hohn, Business Manager, presented and reviewed the bids received in relation to charter bus service for the 2011-12 year. Hohn indicated that at first glance, it appears that Southwest Coaches may be the lowest bidder due to their rate per mile. Hohn went on to indicate that is not the case when the fuel surcharge is considered and therefore the bid received from Prairie Coach Trailways is recommended.

BIDDER	RATE PER MILE
Harms Charters (Formerly Foreman Charters)	\$3.60 rate per mile. Fuel surcharge at \$3.50 per gallon. Cost will increase \$.05 per mile for every \$.25 above \$3.50 per gallon. No additional fees for nights or multiple buses. Trips not planned as per Charter Bus Schedule may be subject to availability and may involve dead-head expense from alternate geographies. \$575.00 minimum per day charge for bus usage. \$125.00 overnight cost for the driver, considering the District provides the room (per diem).
Prairie Coach Trailways	\$3.14 rate per mile. Fuel surcharge at \$3.75 per gallon. Cost will increase \$.01 per mile for every \$.05 above \$3.75 per gallon. Unscheduled buses will be charged an additional \$275.00.

	<p>\$455.00 minimum per day charge for bus usage.</p> <p>\$125.00 overnight cost for the driver, considering the District provides the room (per diem).</p>
Southwest Coaches, Inc.	<p>\$2.95 rate per mile. Fuel surcharge at \$3.00 per gallon. Cost will increase \$.02 per mile for every \$.05 above \$3.00 per gallon. Buses not on schedule will have an additional \$250.00 charge.</p> <p>\$475.00 minimum per day charge for bus usage.</p> <p>\$130.00 overnight cost for the driver, considering the District provides the room (per diem).</p>

Mrs. Susan Jones moved the approval of the bid received from Prairie Coach Trailways under the terms and conditions outlined in their bid. Mr. Mark Kludt seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting reported on the recently held meeting of the Lake Area Multi-District Superintendents. Dr. Jutting went on to indicate that currently the Watertown High School is using 120% of its allowable slots, filling the unused slots of other member schools. It was also noted that the Pre-Engineering course is scheduled to begin in January. Dr. Jutting also indicated that the Lake Area Multi-District Board will be meeting in a retreat setting in the near future.

Assessment Data for 2010-2011 – Darrell Stacey, Assistant Superintendent, provided a report related to the assessment data as provided by the following tests: Limelight – District Curriculum Test, Dakota STEP - State Curriculum Test and ACT – Normed Reference Test. Mr. Stacey went on to indicate that the Watertown School District students compare very favorably in all testing areas. Mr. Stacey reported that the District's dropout information is also showing improvement: 2006 – 72 students dropped out or 6% and in 2011 – 26 students dropped out or 2%. The Senior Exit Survey indicating what our graduates are choosing to do after High School was also briefly reviewed.

Goal Review from Board Retreat – Superintendent Dr. Jutting presented for information the following vision and goal statements as a result of the School Board Retreat.

Vision

The Watertown School District is an exemplary school district known for excellent curricular and co-curricular opportunities for its students. We believe that all students must graduate from high school prepared for post secondary education and life. The District's academic programming prepares our students for the 21st century and global opportunities they will encounter. Partnerships and the support of our community are paramount to the success of our students and

therefore, it is important that we continue to work towards the building of positive, supportive relationships.

Goal Statements

1. All students will graduate from high school on time and will be post-secondary prepared.
2. The Watertown School District will remain financially viable in order to meet the needs of all students.
3. The Watertown School District will continue to promote positive relationships with school personnel, School Board and the community.
4. The Watertown School District will provide facilities that support the educational needs of our students.
5. Our teaching staff will be highly trained, utilize research-based methodologies and integrate technology to maximize student achievement and success.
6. The Watertown School District will achieve academic excellence for all students via the enhancement of curricular and co-curricular offerings.

Dr. Jutting indicated that action steps in relation to the goal statements will be presented in October.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting indicated that the scheduled date of November 30th for the Lake Area Multi-District's Strategic Planning Meeting will be

changed. The date has not been identified at this time. Dr. Jutting went on to indicate that classes at the Lake Area Multi-District are at capacity.

Self-Funded Insurance Report – Rick Hohn, Business Manager, provided the Board with information as it relates to the September 30, 2011 year end of the Employee Benefit Trust. Hohn indicated that the 2010-11 year reflected a decrease in the Trust balance in the amount of \$181,362.00. The report also provided information as it relates to the future premium levels, the number of individuals participating in the group plan and a projection for the 2011-12 year. Hohn also stated that DakotaCare will again provide the third party administration of claims and that the District will continue its participation in the DakotaCare Network. Hohn also noted that due to the number of high dollar claims in the previous year, the cost of the individual stop-loss coverage from Optum Health Company will increase significantly.

Professional Growth Rubric – Tricia Walker, Instructional Technology Coordinator and WEA Representative, and Laura Morrow, Jefferson Elementary Principal, presented an overview of the development of the Professional Growth Rubric and the implementation of this tool. The complete cycle of the growth tool was reviewed: Full Rubric, Goal Setting, Partial Rubric and Goal Setting which occur in thirteen month cycles. The presentation also discussed summative evaluations, various recommendations such as: continued employment and professional improvement plans. The opinions of the instructors were illustrated in a graph format with most indications being positive. It is expected that the Professional Growth Committee will continue to meet to evaluate and improve the process for administrators and instructors. Superintendent Jutting indicated that the State is working on a Growth Rubric and that Dr. Melody Schopp, Secretary of Education, has indicated that the Watertown School District's growth model will be in compliance. General discussion was held and Deb Shephard, LATI President, was asked to provide a brief overview as to how LATI evaluates its instructors.

Mr. David Linngren moved the approval of the Volunteer List as presented. Mrs. Tammy Rieber seconded. Five votes yes. Motion carried.

ACTION 12058

Rick Hohn, Business Manager, presented the bids received in relation to the construction of a Transportation Center. Hohn went on to indicate that five bids were received with Gray Construction providing the lowest base bid. In consideration of the eight alternates included in the specifications, Hohn recommended the acceptance of alternate #3, alternate #5 and alternate #8 bringing the recommended construction contract to \$2,995,800.00.

	Breitbach Construction	Dallas I. Hanson Construction	Fiegen Construction	Gray Construction	Quest Construction
Bid Security	Yes	Yes	Yes	Yes	Yes

Following the general review of the bids received, Hohn indicated that this project would be funded via Lake Area Technical Institute's purchase of the District owned property and structures in the amount of \$1,411,285.00 with the balance of \$1,584,515.00 coming from the District's Capital Outlay Fund over the next two years. Hohn offered a reminder that Capital Outlay is a Fund designated for the costs related to land, structures and equipment and that the District has been reserving funds in this account for several years to accommodate these types of expenditures. Mr. Linngren moved that the bid received from Gray Construction as adjusted by the acceptance of alternate #3, alternate #5 and alternate #8 be accepted in the amount of \$2,995,800.00. Dr. Fred Deutsch seconded. Five votes yes. Motion carried. Superintendent Dr. Jutting read a press release that was provided to the local media.

ACTION 12059

Dr. Fred Deutsch moved that Tieszen Law Office, Professional LLC, of Pierre, South Dakota, be authorized to settle Civil Number 07-981 pursuant to the mediated agreement reached by the parties. Mrs. Jan Schull seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Public Input – Morris Reed, parent of a High School student, expressed a concern by stating that his son continues to be physically attacked at school even though he has sought assistance from an Assistant Principal and the School Resource Officer. Dr. Jutting, Superintendent, indicated that she has had conversations with Mr. Reed and requested that he contact her for an additional conference in attempt to resolve this issue.

Lake Area Multi-District Board Report – Superintendent Dr. Jutting reported that the Lake Area Multi-District Board will meet this Wednesday, November 16th. Dr. Jutting also reported that they had been interviewing for an Auto Instructor. It was also noted that the Lake Area Multi-District is running at near capacity.

American Education Week – Tricia Walker, WEA President, noted that American Education Week is November 14-19. Walker also provided a list of activities that will occur throughout the week. A couple highlighted activities were the giving of bibs to the babies that are born during this week noting that they are the class of 2030 and the six word story winners were announced. Superintendent Dr. Jutting also noted that letters to the editor in support of education will appear in the Public Opinion throughout the week.

District Vision, Goals and Action Plans – Superintendent Dr. Jutting reviewed the six goal statements and there related action plans. Superintendent Dr. Jutting indicated that the building level goals are being developed with the guidance provided by the four School Board goals. (A complete Vision, Mission and Goal document can be viewed in the office of the Superintendent.)

School Improvement Plan – Dr. Michael Butts, High School Principal, presented and reviewed the two year School Improvement Plan. Mr. Butts went on to indicate that the High School made annual yearly progress (AYP) in all categories in 2011. Dr. Butts' review included: identification of the subgroups and the upward changes in the various assessments, Main Components of the Plan, Special Assistance Provided to Students on Individual Education Plans, Testing Assessments of Students in Grades 9 and 10 along with comparisons in the Plan Test (Pre-ACT Test).

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting reported that the Lake Area Multi-District Board will be meeting on Wednesday and at that meeting they will be dealing with the 2012-13 Budget along with student registration.

Governor Daugaard's Education Proposal - House Bill 1234 – Superintendent Dr. Lesli Jutting provided a summary of House Bill 1234 by indicating that the legislation proposes to

eliminate continuing contract language, provide a bonus for Math/Science Instructors, reward 20% of a schools best instructors and to impose a State evaluation instrument for evaluating instructors and principals. Superintendent Jutting indicated that she was unable to find the flexibility in the Bill that was noted at the recent Cracker Barrel session. Superintendent Jutting also indicated that she has offered some amendments to the bill which deal with allowing for local control. Jutting went on to indicate that it appears that HB1234 continues to receive scrutiny and therefore, may just be a bad bill. Tricia Walker, WEA President, also shared some thoughts and concerns in relation to this legislation. General discussion was held in relation to the legislation, the cost of implementation and the expanded demands on the Department of Education.

Transportation Center – Rick Hohn, Business Manager, provided an update on the construction progress of the Transportation Center by indicating that all pre-cast panels are currently in place and roof joists are on site and being set in place on the service garage. Hohn went on to indicate that the roofers are on standby and once the roof is in place on the service garage, it will be heated to allow for the interior work to begin. The steel for the small vehicle storage building is on site and that will be the last building constructed. This project has a completion date of August 10, 2012.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting reported that at the recent meeting of the Lake Area Multi-District Superintendents' discussion was held in relation to the 2012-13 budget. Dr. Jutting also reported that the reduction of one course

offering and one employee has been completed. It was also noted that enrollment at LAMD continues to hold with the involvement of Great Plains Lutheran High School.

Jr. Kindergarten / Kindergarten & K-1 Multi-Age Programs – Superintendent Dr. Lesli Jutting indicated that Laura Morrow, Kim Buechler and Jennifer Flatten came forward to address elementary enrollment issues of the previous year via the use of multi-age classrooms. Jennifer Flatten, Jr. Kindergarten / Kindergarten Instructor, and Dr. Kim Buechler, K-1 Multi-Age Classroom Instructor, provided information in relation to the challenges and opportunities involved in instructing multiple aged students in the same classroom. Laura Morrow, Jefferson Elementary Principal, stated that the parent feedback indicates that the programs are being successful and that the parents have indicated their desire to have their children continue with a joint classroom setting.

Migrant Program – Brenda Teske, Assistant Special Education Director, Karen Jaskulka, Mike Martinell and Amber Nogelmeier, Migrant Instructors, provided information in relation to the District's Migrant Program via the use of a PowerPoint presentation. The information shared included the following: program covers 28 school districts, number of students in each school, a map illustrating where the Migrant students are relocating from, goals of the program, information on how students/families qualify for the services, currently 56 children are served by the program but the number fluctuates readily due to the families' mobility and the services provided by the Migrant Program. It was also noted that the Migrant Program works closely with the Multi-Cultural Center and it was indicated that the Unity in Diversity event will be held on March 24th.

Transportation Center – Rick Hohn, Business Manager, provided a brief update on the construction of the Transportation Center by indicating that the service building is being enclosed and will be heated in the very near future to assist with the interior construction. It was also noted that the bus storage building has all steel in place and that the small vehicle storage building has its footings constructed and the steel onsite. Hohn went on to indicate that there remains a concern as to whether the facility's sewer/septic/holding pond plumbing will need to be split into two systems or not due to the uncertainty of a petition being filed that would require City Council action to be brought to a vote of the community.

ACTION 12129

A budget summary was reviewed along with information that provided a comparison between the proposed budget to the budget approved for the past year. (A complete copy of the 2012/2013 preliminary budget can be viewed in the office of the Business Manager.)

Policy JBRJ-Substitute Personnel – Superintendent Dr. Lesli Jutting presented for its first reading Policy JBRJ-Substitute Personnel and indicated that the proposed modifications call for a 50 cent per hour increase for substitutes in the various classifications. (A complete copy of this policy can be viewed on the District's website.)

Kindergarten 2012-2013- K-1 Multi Age Classroom – Superintendent Dr. Lesli Jutting indicated that our kindergarten numbers continue to increase. Dr. Jutting provided a break down of the number of kindergarten students currently assigned to each elementary school and indicated that a request for an additional K-1 Instructor will be presented later in the meeting. It was noted that the Kindergarten class sizes will be between 22 and 24 if the additional Instructor is approved.

Transportation Fund – Rick Hohn, Business Manager, provided an update on the progress of the construction of the Transportation Center by the use of Power Point Pictures. Hohn indicated that the construction continues to progress nicely and that the project has a completion date of August 10, 2012.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting reported that the Lake Area Multi District has been very busy and that Bert Falek has begun his duties as the new Director. Dr. Jutting also reported that all of the educational slots at the Lake Area Multi District are full.

Policy IGND-Internet Safety – Superintendent Dr. Lesli Jutting presented for its first reading Policy IGND-Internet Safety and indicated that this policy is needed to remain in compliance with Federal Regulations. (A complete copy of this policy can be viewed on the District's website.)

Bullying Project at Watertown Middle School – Todd Brist, Middle School Principal, provided an update in relation to the Bully Prevention Program currently being used at the Middle School. Mr. Brist provided a description of the Bullying Prevention Program by outlining the following: Aspects of the Program, What is Bullying, Bullying Prevention Rules, Bullying Circle, Class Meeting, and the Four Components of Bullying (School Level, Student Level, Individual Level, Community Level). Mr. Brist also shared the accomplishments of the first year's implementation of this program.

Transportation Center – Rick Hohn, Business Manager, provided a brief update on the demolition, sale and moving of the buildings on the current Transportation Site and the construction of the facility at the new Transportation Center. Hohn indicated that interior concrete is near completion and that the fuel tanks will be put in place in the next couple days.

Continuing Contracts – Superintendent Dr. Lesli Jutting began the discussion by indicating that HB1234- Section 47 of the Legislation removed Continuing Contract provisions for some teachers going forward. Dr. Jutting explained the current continuing contract provisions and indicated that there is a misconception in that some believe when a teacher reaches Continuing Contract status that they are guaranteed employment and that is not true. School Board members discussed the issue and indicated that a School Board Policy dealing with Continuing Contract provisions in the future should be considered.

(A complete copy of this Lease Agreement can be viewed in the Office of the Business Manager.)

ACTION 12198

Superintendent Dr. Lesli Jutting reported that Watertown High School Principal Dr. Michael Butts was unsuccessful in his bid for a seat on the South Dakota High School Activities Association Board of Control. Dr. Jutting indicated that there are now two individuals in a run off election for the vacant seat and that District Administration is recommending that the School Board cast its vote for Jason Uttermark. Dr. Fred Deutsch moved that the Watertown School District cast its vote for Jason Uttermark for a position on the South Dakota High School Activities Association Board of Control. Mrs. Tammy Rieber seconded. Four votes yes. Motion carried.

ACTION 12199

Rick Hohn, Business Manager, presented for Board consideration a Resolution that transfers the ownership of a District owned Suburban to the Lake Area Multi District. Mrs. Jan Schull moved the approval of the following Resolution:

RESOLUTION

WHEREAS, the Watertown School District declared the following property listed below, no longer necessary, useful or suitable for the purpose of which it was acquired,

1 – 1998 Chevrolet Suburban – ½ ton - 9 passenger – 2 wheel drive
Serial Number 36NFC16F4WG108877

AND WHEREAS, the property is needed by the Lake Area Multi District and SDCL 6-5-1 allows for donations between units of government,

AND WHEREAS, the Lake Area Multi District and the Watertown School District agreed to the donation,

BE IT RESOLVED, that the Business Manager of the Watertown School District be authorized to transfer ownership of the listed property as allowed by state statute and under the terms identified in this resolution to the Lake Area Multi District.

Dr. Fred Deutsch seconded. Four votes yes. Motion carried.

ACTION 12200

Rick Hohn, Business Manager, presented for Board consideration a Resolution authorizing the sale of 2 School Buses to the Hamlin School District. Dr. Fred Deutsch moved the approval of the following Resolution:

RESOLUTION

WHEREAS, the Watertown School District declares the following property listed below, no longer necessary, useful or suitable for the purpose of which it was acquired,

AND WHEREAS, the following property is to be sold to another unit of government, Hamlin School District #28-3, as allowed by SDCL 6-5-5,

AGENDA REVIEW/APPROVAL

Mrs. Jan Schull moved that the agenda be approved as presented. Mr. Garrett Priest seconded. Five votes yes. Motion carried.

GENERAL DISCUSSION

Superintendent Dr. Lesli Jutting stated that the District has been watching the enrollment grow over the past years and now there are five classrooms that are located in specialty rooms. Darrell Stacy, Assistant Superintendent, provided hospital birth rates and how the number of births equate to enrollment in our District. Rick Hohn, Business Manager, shared enrollment history and future enrollment projections.

Superintendent Dr. Lesli Jutting presented a building plan which would use the current Middle School for an Intermediate School, grades five and six, with the possible construction of a new Middle School. This would mean that our elementary schools would be K-4, Primary Schools, moving the fifth and sixth graders to an Intermediate School which would free up classrooms at the elementary level. Superintendent Dr. Jutting indicated that the City has been working on a possible flat floor space facility and indicated that this may be an opportunity in which the City, County and school could participate in a joint building project.

Rick Hohn, Business Manager, provided some rough cost estimates and the possible funding source being the use of Capital Outlay Certificates. Hohn went on to indicate that the payments on the new certificate debt would be accommodated with the existing Capital Outlay levy due to other amortized debt being paid off in the near future.

General discussion continued with the following items: building location, traffic patterns, parking lots, land/site size, timeline for the project and why is our District enrollment increasing.

Chairman Linngren brought the discussion to a close by indicating that this process will be as transparent as possible, allowing for input and additional communication. Board member Garrett Priest had to excuse himself from the meeting due to another commitment.

ADJOURNMENT

Mrs. Tammy Rieber moved that the Watertown School Board adjourn its special meeting at 6:25 p.m. Mrs. Jan Schull seconded. Four votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting reported that the Lake Area Multi-District Superintendents met last week and discussed possible program changes, project lead the way and the possible renaming of the Multi-District. Superintendent Dr. Jutting also indicated that the group was working on enrollment for the second semester.

Self-funded Insurance Report – Rick Hohn, Business Manager, provided the Board with information as it relates to the September 30, 2012 year end of the Employee Benefit Trust. Hohn indicated that the 2011-12 year reflected a decrease in the Trust's balance in the amount of \$599,529.00. The report also provided information as it relates to the future premium levels, the number of individuals participating in the group plan and a projection for the 2012-13 year. Hohn also stated that DakotaCare will again provide the third party administration of claims and that the District will continue its participation in the DakotaCare network. Hohn also noted that the benefits of the plan will be modified to incorporate higher deductible amounts,

increased maximum out of pocket amounts, modifications to the prescription drug copay, an increase to the lifetime maximums and a change in the copay percentage for health claims.

District Technology Update – Deb Fredrickson, Tricia Walker and Tim Comes, representatives of the Technology staff, provided a report entitled “Meeting Technology Needs”. The report included information related to: the number of machines, staff and student server accounts, how task/service is divided by individuals within the Technology Department, technology staff members, help desk software, K-12 Technology committee members, building technology coaches and their responsibilities, how technology is used/various projects, professional development opportunities, technology compensies, Federal guidelines/regulations, Lightspeed filtering and limiting the use of bandwidth. General discussion was held in relation to the cost of technology and the replacement of student laptops as the current High School student machines are going on their fourth year of service.

District Goals – Superintendent Dr. Lesli Jutting reviewed the six goals of the District as established by the School Board and highlighted various areas within the goals that are currently receiving the most focus. Goal #1 – All students will graduate from High School on time and be postsecondary prepared with the focus being on the High School attendance rate with the target being 98%; Goal #2 – The Watertown School District will remain financially viable in order to meet the needs of all students with the focus being on enrollment increases; Goal #3 – The Watertown School District will continue to promote positive relationships with school personnel, School Board and the community with the focus being on the Mentoring Program; Goal #4 – The Watertown School District will provide facilities that support the educational needs of our students with the focuses being on the possible construction of a new school building to accommodate the enrollment growth and the possibility of creating online course offerings; Goal #5 – Our teaching staff will be highly trained, utilize research based methodologies and integrate technology to maximize student achievement and success with the focus being on staff training; and Goal #6 – The Watertown School District will achieve academic excellence for all students via the enhancement of curriculum and co-curriculum offerings with the focuses being on a middle college and the increase of dual credit course offerings.

ACTION 13087

Steve Moore, Athletic Director, provided some background information related to the development of an AAA classification for High School Football and how that classification

may affect Watertown. Mr. Moore went on to explain that there are really two separate issues: one being the appeal of Watertown's Football AAA classification and the other being the potential petitioning down from the AAA classification to the classification of AA. High School enrollments were discussed along with the general safety of our student athletes. Head Football Coach Steve Svendsen also shared his opinion and thoughts. Following the discussion, Mr. Garrett Priest moved that the Watertown School District appeal the District's Football AAA classification and that the formal appeal be provided to the South Dakota High School Activities Association's Board of Directors. Mrs. Jan Schull seconded. Five votes yes. Motion carried.

ACTION 13088

Rick Hohn, Business Manager, presented for Board consideration a contract for Drug and Alcohol Testing. Mr. Hohn went on to indicate that this service is needed for District school bus drivers holding commercial driver's licenses. Mrs. Tammy Rieber moved the approval of the contract for Drug and Alcohol testing with Professional Securities as presented. Mrs. Jan Schull seconded. Five votes yes. Motion carried. (A complete copy of this contract can be viewed in the office of the Business Manager.)

ACTION 13089

Mrs. Tammy Rieber moved that the student assignment request pursuant to SDCL 13-28-10 involving one student be approved as presented. Mr. Garrett Priest seconded. Five votes yes. Motion carried.

COMMUNICATIONS

Superintendent Dr. Lesli Jutting provided the School Board with the Grapevine, Enrollment Report, Nutrition Report and the proposed agenda for the public meetings to be held December 17th and January 7th.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting indicated that a meeting of the Lake Area Multi-District Board is scheduled for Wednesday night at 7:00 p.m. Dr. Jutting also indicated that action in relation to the potential name change of the Multi-District to Northeast Technical High School is anticipated.

Online Classes and Dual Credit Opportunities at the High School – Dr. Michael Butts, High School Principal, provided information in relation to potential online course offerings at the High School and the current dual credit opportunities. Dr. Butts went on to indicate that it is currently anticipated that 14 courses will have the online option. Discussion was also held in relation to the number of students per session and the consequences if a student does not maintain academic proficiency while taking an online course. In relation to dual credit opportunities, Dr. Butts indicated that High School students currently have such opportunities via the Rising Scholar Program, Step Ahead Program and Lake Area Technical Institute General Education and Technical Courses. Mr. Butts also reminded those in attendance that the High School offers several AP courses which can also translate into college credit.

2013-14 Budget Calendar – Rick Hohn, Business Manager, presented a budget calendar that will be used for the development of the 2013-14 Budget. Hohn noted that budget work sessions are tentatively scheduled for April 15, 2013 at 6:30 p.m. and April 29, 2013 at 5:30 p.m.

Proposed Building Project – Superintendent Dr. Lesli Jutting provided some history in relation to the proposed building project. Dr. Jutting noted that the School Board began its discussion of this proposed project several months ago and that meetings have been held with: District staff, various service clubs and the public input meetings. Dr. Jutting noted that in general, the comments have been very positive with the noted areas of concern being: parking, transportation to and from school and possible additional land needs. Administration continues to work on future land needs, streets/roads, the use of Garfield, joining with the City in the development of a Multi-Purpose Center and annexation in preparation for the February meeting in which a request to move forward with architectural services and building design will be presented for Board consideration. The School Board thanked those who attended the public input meetings.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting reported that the Superintendents are currently reviewing course work and designing classes for the upcoming year.

They are also working with the Director of the Lake Area Multi-District in relation to his goals and evaluation. Dr. Jutting went on to indicate that enrollment continues to be strong.

Laptop Plan for 2013-2017 – Dr. Michael Butts, High School Principal, began the presentation by reviewing the history of the Laptop Program of the Watertown High School which is now in its tenth year. Deb Fredrickson, Technology Director, indicated that a majority of the repairs are currently done in house and that our current laptops are struggling with updated software programs and thus the need for a computer upgrade. The process to consider the replacement of the equipment started approximately one year ago and input from staff, students and community members has been received. Tricia Walker, Instructional Technology Coordinator, provided information in relation to the current laptop uses and the various options that should be considered to meet the needs and desired uses as we move forward. Mrs. Walker also explained the methods and input gathering that was used to determine which machine should be recommended. It was noted that currently the committee is leaning towards the potential lease/purchase of a thirteen inch Mac Book Pro with an I5 processor. Various software and hardware needs to be considered were also reviewed. Dr. Butts indicated excitement in relation to the refresh of the laptop equipment. General discussion was held in relation to the lease/purchase costs with it being noted that a proposed lease/purchase will be presented to the School Board for their authorization at a later meeting.

Mrs. Tammy Rieber seconded. Five votes yes. Motion carried.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting indicated that the meeting of the Lake Area Multi-District Superintendent’s is scheduled for tomorrow, March 12. At that meeting, the Superintendent’s are expected to tour LATI and to discuss the upgrading of various programs. Superintendent Dr. Jutting reminded the Board members that the regular meeting of the Lake Area Multi-District Board will be meeting on Wednesday, March 20, 2013.

DARE Program Update – Darrell Stacey, Assistant Superintendent, indicated that the DARE Program will be reinstated at the elementary level next year. Mr. Stacey also introduced Sergeant Steve Rehorst who provided an overview of the new program that will be presented to fifth grade students. Sergeant Rehorst indicated that the program consists of ten classroom lessons, parent informational meetings, eight enhancement lessons that are optional and a

DARE graduation. It was also noted that the classroom facilitator will be a Watertown Police Officer and that this program is inline with the new common core standards.

Incident Weather – Superintendent Dr. Lesli Jutting reviewed the typical process used when decisions need to be made in relation to school being cancelled, late starts or early dismissals. Superintendent Dr. Jutting indicated that the topic she wished to discuss with the School Board dealt with cold/wind chill temperatures as recently school was not held due to cold weather which is somewhat different than previous years. Mr. Tim Steichen, Transportation Director, indicated that he becomes concerned when the actual air temperature reaches twenty below zero, more concerned at twenty-five below and thirty below it begins to affect transportation equipment. Mr. Steichen also indicated that the District uses #1 diesel fuel along with an additive to mitigate the possibility of fuel clogging or gelling. It was also noted that today's school buses are equipped with better and multiple heaters, different than how many adults remember their rides on school buses. Discussion was also held in relation to student safety, proper dress and keeping the children on buses as long as possible during transfer. School Board members indicated their desire to continue the District's past practice of having school on days that are considered cold and that the District provide community education on the matter. Superintendent Dr. Jutting indicated that the District is trying to balance the number of days in which a.m. and p.m. Kindergarten is held.

President Shephard went on to explain that these positions are for the 2013-14 year to accommodate enrollment growth. Mr. Garrett Priest moved the approval of the authority to hire

the three instructor positions as presented. Mrs. Susan Jones seconded. Five votes yes. Motion carried.

ACTION 13147

Rick Hohn, Business Manager, presented for Board consideration a purchase agreement in which the Watertown School District/Lake Area Technical Institute would purchase from Albin and Phyllis Stromseth the Arrow Trailer Court which is located just west of the LATI campus. Hohn went on to indicate that this purchase is consistent with the 2008 master plan which suggested that the District continue its pursuit of property adjacent to Lake Area Technical Institute's campus. Hohn went on to indicate that the District has a unique opportunity in that the construction costs of Phase IV were well below estimates and therefore freeing up State Bond dollars to assist with project improvements, equipment needs and possible land purchases. The \$1,000,000.00 purchase price was broken down as follows: donation credit of \$150,000.00 to Stromseth, Phase IV Bond dollars in the amount of \$485,244.00, LATI Foundation \$182,378.00, leaving the cost to LATI/District in the amount of \$182,378.00. Hohn also reviewed the points of the proposed purchase agreement. Mrs. Tammy Rieber moved that the proposed purchase agreement related to the Stromseth property known as Arrow Trailer Court be approved as presented. Mrs. Jan Schull seconded. General discussion was held in relation to this purchase being a significant step forward in relation to the land/growth needs of Lake Area Technical Institute. Following the general discussion, five votes yes. Motion carried. (A complete copy of this purchase agreement can be viewed in the office of the Business Manager.)

ACTION 13148

Rick Hohn, Business Manager, presented a real estate lease agreement that serves as a supporting document to the purchase agreement in which Mr. Stromseth will lease the Arrow Trailer Court for a period of one year with the possibility of extension with revised terms and conditions to be agreed upon at the time of the extension. Hohn went on to point out the various other terms and conditions related to this agreement. Mrs. Jan Schull moved that the real estate lease agreement between the District and Stromseth be approved as presented. Mrs. Tammy Rieber seconded. Five votes yes. Motion carried. (A copy of this lease agreement can be viewed in the office of the Business Manager.)

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Jutting indicated that the Lake Area Multi-District Superintendent's met last Tuesday and discussed a ribbon cutting event in which the new Northeast Technical High School name will be official. Superintendent Jutting indicated that the name change has been approved by the State of South Dakota. Dr. Jutting also noted that Dianne Rider, long time instructor, will be retiring and an open house will be scheduled in her honor. It was also indicated that a benefit for the Mike Mills family is set for April 27th and that the next meeting of the Lake Area Multi-District Board will follow the annual open house of the facility.

FACS and Career Encore Program – Todd Brist, Middle School Principal, introduced the team of Amanda DeVries, Tammy Zubke and Jason Buechler. The team indicated that the FACS and Career Encore Program allows students to be successful in the several areas such as career exploration, day to day skills, nutrition and eating disorders, and the use of technology. It was also noted that this program uses "South Dakota My Life Standards" program. The School Board voiced their continued support for the program.

School Calendar for 2012-2013 – Superintendent Dr. Lesli Jutting presented and explained that we have had three snow days pushing the final day of school from May 22nd to May 24th and that May 24th would be a full day. With this modification, student contact would be reduced by one half of a day. Dr. Jutting went on to indicate that instructors would be required to return on Tuesday after the Memorial Day holiday to complete their contract. It was noted that due to the forecasted weather in the next couple days that the calendar may need additional modification.

SCHOOL BOARD MINUTES
WATERTOWN SCHOOL DISTRICT NO. 14-4
CODINGTON COUNTY, SOUTH DAKOTA
(Pending School Board Approval)

The School Board of the Watertown School District No. 14-4 of Codington County, South Dakota convened pursuant to due notice at 6:30 p.m., Monday, **April 15, 2013** in special session. The following members were in attendance: Chairman David Linngren, Jan Schull, Tammy Rieber, Susan Jones and Garrett Priest. Also in attendance were staff, administration and representatives of the news media.

Chairman David Linngren convened the Board for its special session by leading the Pledge to the Flag.

BUDGET DISCUSSION

Rick Hohn, Business Manager, presented information in relation to projected enrollment for the upcoming years and how those enrollments breakdown in the different areas of Elementary, Middle School and High School.

Darrell Stacey, Assistant Superintendent, presented information in relation to Curriculum, Staff Development and Summer Programs.

Rick Hohn, Business Manager, provided preliminary budget information for the following funds: Nutrition Services, Arena Concessions, Self-funded Insurance, Pension Fund, Capital Outlay Fund, Special Education Fund, General Fund and Driver's Education. During the review of the Capital Outlay budget, it was noted that the planning process of the new Middle School continues and that an alternate site for this structure is being considered. Hohn went on to explain that this site is located just northeast of the intersection of 11th Street North and 12th Avenue North, just north of Cornerstone Church. Concerns in relation to the school being constructed on District owned property located north on 19th Street near the Transportation Center were discussed: distance from City, annexation needs, street construction costs, limited possibility of a joint school/city project and the size of the site if a joint project were to be considered. The new location being considered is very near the City boundaries and adjacent to 11th Street North that the City has indicated they will be completing in the near future. Following the discussion in relation to the potential Middle School site, School Board members gave their general approval to have the Business Manager continue the possible purchase and to present them with a purchase agreement for consideration at a future School Board meeting.

ACTION 13155

Superintendent Dr. Lesli Jutting presented for Board consideration proposed modifications to the salary and insurance benefits for certified and classified employees for the 2013-14 school year. Superintendent Dr. Jutting indicated that the Watertown Education Association has voted to accept the proposal. Mrs. Jan Schull moved that the salaries of certified employees receive a 4% increase and that the salaries of classified employees be increased by 4.6% and that the District's monthly contribution towards group health and dental insurance be increased by \$47.00 to an amount sufficient to cover the cost of a single health and dental plan. In addition to the salary and benefit modifications, certified employees returning for the 2013-14 year would be eligible for a \$250.00 one time stipend with the timely returning of their signed contract. Mr. Garrett Priest seconded. General discussion was held in relation to the fact that

the base contracts of certified employees were reduced in 2011-12 and that only one time amounts, not affecting their base contracts, had been provided during the past two years. Dr. Jutting indicated that the additional one time dollars received from the State yet this fiscal year will be used to accommodate the \$250.00 one time stipend in fiscal year 2013. Following the general discussion, five votes yes. Motion carried.

EXECUTIVE SESSION

Mr. Garrett Priest moved that the Watertown School Board go into Executive Session for the purpose of discussing personnel matters at 8:10 p.m. Mrs. Tammy Rieber seconded. Five votes yes. Motion carried.

The Board returned to special meeting status at 8:14 p.m.

K-12 DISCUSSION ITEMS

Lake Area Multi-District Board Report – Superintendent Dr. Lesli Jutting indicated that the LAMD Superintendents met last week to discuss the hiring of two instructors due to a resignation and a retirement. The upcoming budget was also discussed in relation to a new ventilation system and needed roofing. It was stated that it is still questionable as to whether the Lake Area Multi-District Board will meet on Wednesday due to the possible lack of a quorum.

Special Education Preschool Review – Jennifer Heggelund, Special Education Director, presented information in relation to the implementation of “Reverse Inclusion” at the preschool level. Heggelund indicated that the preschool opportunity would involve students with special needs from the ages of three through five and would also include some general education students on Monday’s and Wednesday’s. It was indicated that the goal of the reverse inclusion is to provide early assistance to students needing special attention so that the special services needed in future education years is minimized.

Mrs. Jan Schull moved the approval of the Lease Agreement as presented. Mr. Garrett Priest seconded. Five votes yes. Motion carried. (A complete copy of this Lease Agreement can be viewed in the office of the Business Manager.)

ACTION 13192

Superintendent Dr. Lesli Jutting informed the Board that runoff elections are being held in relation to vacancies on the South Dakota High School Activities Association Board of Directors. Mr. Garrett Priest moved that the Watertown School District cast its votes for Dan Whalen, Pierre and Mike Miller, Aberdeen, to serve on the South Dakota High School Activities Association Board of Directors as recommended. Mrs. Tammy Rieber seconded. Five votes yes. Motion carried. Mrs. Rieber took this opportunity to express her

disappointment that she did not receive the number of votes needed to be included in the runoff election.

ACTION 13193

Rick Hohn, Business Manager, explained the opportunity that the District had in expanding its retirement options to include a Roth IRA. Mrs. Susan Jones moved that the Watertown School District expand its retirement options to its employees on July 1, 2013 by offering a Roth option as offered by the South Dakota Retirement System – 457 and the District’s 403(b) Plan Administrator. Mr. Garrett Priest seconded. Five votes yes. Motion carried.

ACTION 13194

Mrs. Tammy Rieber moved the appointment of the following individuals as poll workers for the upcoming School Board Election: Loretta Maas, Marilyn Bach, Dianne Stark and Betty Stoltenburg. Mr. Garrett Priest seconded. Five votes yes. Motion carried.

ACTION 13196

Rick Hohn, Business Manager, outlined the details of a Lease Purchase Agreement with Apple Inc. in relation to the refreshing of the High School laptops for students and staff. Hohn went on to explain that the Lease Agreement has a four year term and includes the computers being purchased for the High School laptop program along with other technology equipment for various District buildings and programs. Incorporating equipment in addition to the High School laptops allowed for earlier delivery of the equipment, better pricing, lower interest rate and additional warranty. This added equipment will be paid for in an upfront payment. The four year portion of the Lease Agreement includes 1,410 MacBook laptop computers for High School staff and students. Mrs. Susan Jones moved the approval of the Lease Purchase Agreement between the Watertown School District and Apple Inc. as presented in the amount of \$2,185,567.00. Mrs. Jan Schull seconded. General discussion was held in relation to the District's continuation of the laptop program and the success of Watertown students. Following the general discussion, five votes yes. Motion carried. (A complete copy of the Lease Agreement can be viewed in the office of the Business Manager.)

COMMUNICATIONS

Superintendent Dr. Lesli Jutting indicated that the District continues to receive phone calls in relation to the enrollment of additional students. Dr. Jutting also informed the Board that a meeting with Dave Todd and the Middle School staff has occurred and we are hopeful that Mr. Todd will be at the July meeting to present preliminary information as it relates to the construction of a new Middle School.

Darrell Stacey, Assistant Superintendent, stated that only a few certified positions remain to be filled and that the filling of classified positions will begin in July/August.

SCHOOL BOARD MINUTES
WATERTOWN SCHOOL DISTRICT NO. 14-4
CODINGTON COUNTY, SOUTH DAKOTA
(Pending School Board Approval)

The School Board of the Watertown School District No. 14-4 of Codington County, South Dakota convened pursuant to due notice at 6:30 p.m., Monday, **July 8, 2013** for the purpose of conducting the annual budget hearing and for the regular July meeting. The following members were in attendance: Chairman David Linngren, Susan Jones, Jan Schull and Garrett Priest. Also in attendance were staff, administration and representatives of the news media.

2013-14 PUBLIC BUDGET HEARING

Chairman David Linngren convened the Board for its annual Budget Hearing and stated that this is the time for the School Board to receive public input as it relates to the proposed budget for the Watertown School District. There being no comment from the audience, the School Board proceeded with the budget review. Rick Hohn, Business Manager, presented modifications for Board consideration to the preliminary budget that was provided to the School Board in May. It was noted that the total budget for the 2013-14 year is proposed at \$89,018,277 which is a significant increase over the prior year due to the anticipated sale of Capital Outlay Certificates in relation to the proposed construction of a new Middle School.

Chairman David Linngren once again asked those in attendance if anyone desired to address the Board in relation to the 2013-14 Budget. There being no further discussion, Chairman Linngren adjourned the Budget Hearing at 6:53 p.m. and the Board recessed until the normal 7:00 p.m. starting time of the regular meeting.

REGULAR MEETING

Chairman David Linngren convened the Board in session for its regular meeting at 7:00 p.m. by leading the Pledge to the Flag.
